COACHES' POST GAME QUOTES

COACH SABAN:

Question: "What caused so many interceptions and deflections?"

Answer: "I don't know. Pastrana had a rough day, that youngster was trying like heck."

Question: "What did you think of Addison?"

Answer: "He played a great game. Clemson is a good team."

Question: "Did you think that was a fumble by Pastrana on the last set of downs?"

Answer: "He through the ball but they gave it to Clemson."

Question: "What was the major problem?"

Answer: "We were getting the ball in close but we weren't scoring. We couldn't ~~get~~ get a break to save our life."

Question: "Do you have any other comment on the game?"

Answer: "When you lose there really isn't anything to say."

COACH HOWARD:

The win was a good one. But we won and now I got to get N.C. State on my mind.

We played a good game, ~~Marx~~ Maryland played a good game, I thought we should have won and we did.

Winning the 150th ball game up here today is what I been wanting all week. It's good to play and win up here. It's a pleasure to play up here once ~~g~~ again.

I think that if I hadn't called a couple of plays and listened to my two assistants a little more, ~~we~~ we might have won bigger. But we won and I got to take the blame or credit, the credit in this ~~cazz~~ case.

I know we won 5 and lost none in this conference, but we a long ay from the end of the season. (answer to a bowl question by a newsman) we would be interested in ~~going~~ going to any bowl, but heck we ain't even in any kind of position for that.

State is next. I want to be around for that 200th victory now.

COACHES' POST GAME QUOTES

COACH SABAN:

Question: "What caused so many interceptions and deflections?"

Answer: "I don't know. Pastrana had a rough day, that youngster was trying like heck."

Question: What did you think of Addison?

Answer: "He played a great game. Clemson is a good team."

Question: "Did you think that was a fumble by Pastrana on the last set of downs?"

Answer: "He through the ball but they gave it to Clemson."

Question: "What was the major problem?"

Answer: "We were getting the ball in close but we weren't scoring. We couldn't ~~get~~ get a break to save our life."

Question: "Do you have any other comment on the game?"

Answer: "When you lose there really isn't anything to say."

COACH HOWARD:

The win was a good one. But we won and now I got to get N.C. State on my mind.

We played a good game, ~~Myx~~ Maryland played a good game, I thought we should have won and we did.

Winning the 150th ball game up here today is what I been wanting all week. It's good to play and win up here. It's a pleasure to play up here once ~~g~~ again.

I think that if I hadn't called a couple of plays and listened to my two assistants a little more, ~~we~~ we might have won bigger. But we won and I got to take the blame or credit, the credit in this ~~case~~ case.

I know we won 5 and lost none in this conference, but we a long ay from the end of the season. (answer to a bowl question by a newsman) we would be interested in ~~going~~ going to any bowl, but heck we ain't even in any kind of position for that.

State is next. I want to be around for that 200th victory now.
