COACH PAUL DIETZEL STATEMENT:

"We were really ready to play and I thought we played well until our two spark plugs went out, and then we came to a halt. Ben Garnto and Mike Fair were both hit in the head and knocked groggy and we didn't do much offensively after that. I don't know when Fair got hit, but right after Clemson kicked off after taking a 21-10 lead, Tom Wingard came to the sidelines and said Mike was groggy and couldn't remember anything. We were penalized for coaching from the sidelines when I talked to Wingard, and the official was right, but we had to take Mike out and he was never able to go back in. He is a terrific football player and with him in there, we moved the ball well. Without him, we didn't do much.

"Coach Howard has a fine football team and that little Addison is some quarterback. Clemson has a fine group of boys and certainly deserved the win. However, I thought there were two fairly even football teams out there until we lost Fair.

"Coach Howard was quoted in one paper as saying he has been building this team for 27 years, and he has built a good one. We're just beginning to build at South Carolina, but we have a dream and our dream is going to come true. We can't make any excuses for today. We lost, Clemson won and Clemson is to be congratulated. But, we're going to be back next year and in the years to come, and the older I get, the less I like to lose. These post game interviews haven't been much fun this year, but I know the future will be different."

Postgame Quotes by coach Frank Howard:

"Gentlemen, you don't feel this good everyday. We played pretty good and we won. That always makes it nice."

"It is remarkable that my little biddy quarterback, Addison, can do all the things with the football he can."

"I catch the ~~the~~ devil from everybody for not playing ~~the~~ Gore or not playing ~~the~~ Jackson. But I try to keep 'em both fresh in there."

"Frankly, I put Gore back in there at the end of the game so maybe he could win the conference rushing title. I hope he got it."

"The boy that has helped us more than anybody in the past four weeks has been Cooper(Jay). He came through when we needed a fullback."

"It was just luck that ole Olslewski scored on that play. I think Addison just fumbled and Olslewski ~~the~~ was pulling and the ball just fell right in his arms. The other players never knew he had the football."

"Addison pulled two good plays on the two touchdown passes. On the long one to Rogers(49 yards), he changed plays at the line of scrimmage after he saw the Carolina defense. And on the last touchdown pass to McGee he wouldn't run a play I sent in. He motioned me from the ~~the~~ field with his hand that he had ~~the~~ a better play. And he shore did cause it went for a touchdown."

"I been coaching here for 37 ~~xxxxxx~~ years(35 as head coach) and got 151 victories. That other fellow has got one win and I don't like the pay scale for the two of us. But I don't ask for nothing. I like Clemson and the people I work for. If they give me anything I take it, otherwise, I just go on coaching."

"After next year, ~~we~~ which ought to be a lot better than this one, we ~~will~~ lose 35 seniors. That means we got to do some mighty good recruiting this year and next."

COACH PAUL DIETZEL STATEMENT:

"We were really ready to play and I thought we played well until our two spark plugs went out, and then we came to a halt. Ben Garnto and Mike Fair were both hit in the head and knocked groggy and we didn't do much offensively after that. I don't know when Fair got hit, but right after Clemson kicked off after taking a 21-10 lead, Tom Wingard came to the sidelines and said Mike was groggy and couldn't remember anything. We were penalized for coaching from the sidelines when I talked to Wingard, and the official was right, but we had to take Mike out and he was never able to go back in. He is a terrific football player and with him in there, we moved the ball well. Without him, we didn't do much.

"Coach Howard has a fine football team and that little Addison is some quarterback. Clemson has a fine group of boys and certainly deserved the win. However, I thought there were two fairly even football teams out there until we lost Fair.

"Coach Howard was quoted in one paper as saying he has been building this team for 27 years, and he has built a good one. We're just beginning to build at South Carolina, but we have a dream and our dream is going to come true. We can't make any excuses for today. We lost, Clemson won and Clemson is to be congratulated. But, we're going to be back next year and in the years to come, and the older I get, the less I like to lose. These post game interviews haven't been much fun this year, but I know the future will be different."

Postgame Quotes by coach Frank Howard:

"Gentlemen, you don't feel this good everyday. We played pretty good and we won. That always makes it nice."

"It is remarkable that my little biddy quarterback, Addison, can do all the things with the football he can."

"I catch the ~~the~~ devil from everybody for not playing ~~PERI~~ Gore or not playing ~~the~~ Jackson. But I try to keep 'em both fresh in there."

"Frankly, I put Gore back in there at the end of the game so maybe he could win the conference rushing title. I hope he got it."

"The boy that has helped us more than anybody in the past four weeks has been Cooper(Jay). He came through when we needed a fullback."

"It was just luck that ole Olslewski scored on that play. I think Addison just fumbled and Olslewski ~~the~~ was mulling and the ball just fell right in his arms. The other players never knew he had the football."

"Addison pulled two good plays on the two touchdown passes. On the long one to Rogers(49 yards), he changed plays at the line of scrimmage after he saw the Carolina defense. And on the last touchdown pass to McGee he wouldn't run a play I sent in. He motioned me from the ~~the~~ field with his hand that he had ~~the~~ a better play. And he shore did cause it went for a touchdown."

"I been coaching here for 37 ~~xxxxxx~~ years(35 as head coach) and got 151 victories. That other fellow has got one win and I don't like the pay scale for the two of us. But I don't ask for nothing. I like Clemson and the people I work for. If they give me anything I take it, otherwise, I just go on coaching."

After next year, ~~the~~ which ought to be a lot better than this one, we ~~will~~ lose 35 seniors. That means we got to do some mighty good recruiting this year and next."
