STATEMENTS BY THE COACHES

X  
COACH BUD CARSON OF GEORGIA TECH

"It was a good win. We're achieving our goal of improving every week.

"I thought that everyone played well but I'm particularly pleased with our defense. Coaches Fesperman, Thalman, Bell and Barclay got them ready and they played like I knew they could.

"I don't like to single out individuals without looking at the films, but I didn't need films to tell me that Bill Eastman had a great day. We put him on Clemson's good flanker back Rogers and he shut him out. His interception was also a big play for us.

"Clemson is a big, strong, good football team. They played well but this was our day."

COACH FRANK HOWARD OF CLEMSON

"I didn't think that we played real well out there today. The offense couldn't move the ball at all, but the defense had some good moments and looked pretty good most of the time."

"We didn't change our game plan at the half. I just went in there and told them to get after somebody. I thought that we played as good as they did in the second half, but that first half killed us. They just didn't seem to have the punch that they had last week, and I don't think that we played near as good as we did last week. Our line was not blocking."

Georgia Tech covered our receivers real well, and we did not get to pass much. Waters was thrown for losses several times as result of that good coverage. They play their backs up close all of the time and they stopped our running because everybody was staring us in the face, and they were fast enough to cover our passes."

STATEMENTS BY THE COACHES

X  
COACH BUD CARSON OF GEORGIA TECH

"It was a good win. We're achieving our goal of improving every week.

"I thought that everyone played well but I'm particularly pleased with our defense. Coaches Fesperman, Thalman, Bell and Barclay got them ready and they played like I knew they could.

"I don't like to single out individuals without looking at the films, but I didn't need films to tell me that Bill Eastman had a great day. We put him on Clemson's good flanker back Rogers and he shut him out. His interception was also a big play for us.

"Clemson is a big, strong, good football team. They played well but this was our day."

COACH FRANK HOWARD OF CLEMSON

"I didn't think that we played real well out there today. The offense couldn't move the ball at all, but the defense had some good moments and looked pretty good most of the time."

"We didn't change our game plan at the half. I just went in there and told them to get after somebody. I thought that we played as good as they did in the second half, but that first half killed us. They just didn't seem to have the punch that they had last week, and I don't think that we played near as good as we did last week. Our line was not blocking."

Georgia Tech covered our receivers real well, and we did not get to pass much. Waters was thrown for losses several times as result of that good coverage. They play their backs up close all of the time and they stopped our running because everybody was staring us in the face, and they were fast enough to cover our passes."
