STATEMENT BY COACH FRANK HOWARD OF CLEMSON

First question asked Howard: Did he think about going for two points on that last Clemson touchdown. He said no and if he had it to do over again, he'd do the same thing. You've heard me say a tie was like kissing your sister, well I had a pretty sister out there today.

I figure if you can avoid a loss at the first of the season, it's the best thing to do. I think going into next week's game (against Georgia) with a tie is better than a loss. At least, we're undefeated.

This was Waters' first game where it was his responsibility at the start, and I thought he did a fairly good game. He did a good job getting out of jams.

I wasn't surprised that they scored three touchdowns on our defense. I thought they'd do better, but they just sit back and let 'em hit 'em.

This is the best Wake Forest team, offensively and defensively, we've seen in a good while. They have a good team.

But this one is over and, oh lordy, look at what's coming up-- Georgia, Georgia Tech, Alabama and a bunch more.

COACH BILL TATE, WAKE FOREST

Waters hurt us all day on broken plays. We had the receivers covered, and he filtered through our line and picked up some important yardage. They were key plays. Outside of that, I was proud of our defense.

It took us a while to get started, although I thought we could score three touchdowns. A couple of fumbles hurt us.

On that one fumble by Summers, he was on the ground. He didn't fumble, he dropped the ball, throwing it out to the official, and it was called a fumble.

I felt that we attacked them like we wanted to. We knew that we had to throw the ball. They are big, strong kids.

Offensively, Rick White did a good job. Angerman played pretty well. Jurewicz had a outstanding game.

Summers finally got on target after that first series.

We had only one ~~xxxx~~ serious & injury -- Carlyle Pate. It's not his knee though, only a hamstring injury.
