COMMENTS FROM COACH VINCE DOOLEY, POST GAME, CLEMSON v. GEORGIA

- "This has to be the best passing we've ever done; we had some outstanding receptions by Whittenmore, Hughes, Brice, and Lawrence."
- "Hampton and Cavan handled the team and called play very well; they both had good days throwing the ball."
- X "The victory was a costly one to us in that both Steve Greer and Phillip Russell, first line defenders were hurt; Happy Dicks also hurt his side to some extent, so it's obvious that Clemson is a punishing team which hits mighty hard."
- "The Clemson shifting defense interfered with and hurt our snap count; normally no one calls defensive signals during the offensive snap count, and this definitely had some bearing on the many off sides penalties we had in the first half."
- "We had a total lack of consistency; there were too many fumbles and penalties, especially in the first half."
- "I'm rather disappointed in our return coverage on the missed field goal; granted, the Clemson man made a great run, but we never should have let him get away like he did."
- "Overall, the defense was pretty good; however we must try to correct the mental lapses the defense suffers in now and then. It accounted for the fine 94-yd Clemson TD drive, and it hurt us in the last few minutes against Tenn."
- "I was concerned over the lack of a good running game; we are going to have to work on the ground game some to improve it."

Comments from COACH FRANK HOWARD, POST GAME, CLEMSON VS. GEORGIA

- "I said before the season started that Georgia would be the best team that we would face, and I am still convinced that they have ~~the~~ the best team that we will play."
- THEY "They just had too much for us. Their defense just beat us every possible way that they could. They covered our receivers, they pursued real well, and they were quick and fast."
- "That Stanfill is a fine tackle and Dicks played a fine game against us today at linebacker."
- "Their defense has ~~has~~ to be their strong point. They had a pass rush that was something else."
- "They passed a lot, and had some fine catches, and we could <sup>not</sup> contain their passing attack at all."
- "They have two fine receivers in Hughes and Lawrence," and I thought that their line did a great job blocking."
- "I didn't think that we blocked too well, and as a result we couldn't move the ball and keep our drives alive."

COMMENTS FROM COACH VINCE DOOLEY, POST GAME, CLEMSON v. GEORGIA

- "This has to be the best passing we've ever done; we had some outstanding receptions by Whittemore, Hughes, Brice, and Lawrence."
- "Hampton and Cavan handled the team and called play very well; they both had good days throwing the ball."
- X "The victory was a costly one to us in that both Steve Greer and Phillip Russell, first line defenders were hurt; Happy Dicks also hurt his side to some extent, so it's obvious that Clemson is a punishing team which hits mighty hard."
- "The Clemson shifting defense interfered with and hurt our snap count; normally no one calls defensive signals during the offensive snap count, and this definitely had some bearing on the many off sides penalties we had in the first half."
- "We had a total lack of consistency; there were too many fumbles and penalties, especially in the first half."
- "I'm rather disappointed in our return coverage on the missed field goal; granted, the Clemson man made a great run, but we never should have let him get away like he did."
- "Overall, the defense was pretty good; however we must try to correct the mental lapses the defense suffers ~~in~~ now and then. It accounted for the fine 94-yd Clemson TD drive, and it hurt us in the last few minutes against Tenn."
- "I was concerned over the lack of a good running game; we are going to have to work on the ground game some to improve it."

Comments from COACH FRANK HOWARD, POST GAME, CLEMSON VS. GEORGIA

- "I said before the season started that Georgia would be the best team that we would face, and I am still convinced that they have ~~the~~ the best team that we will play."
- ~~THEY~~ "They just had too much for us. Their defense just beat us every possible way that they could. They covered our receivers, they pursued real well, and they were quick and fast."
- "That Stanfill is a fine tackle and Dicks played a fine game against us today at linebacker."
- "Their defense has ~~been~~ to be their strong point. They had a pass rush that was something else."
- "They passed a lot, and had some fine catches, and we could <sup>not</sup> contain their passing attack at all."
- "They have two fine receivers in Hughes and Lawrence," and I thought that their line did a great job blocking."
- "I didn't think that we blocked too well, and as a result we couldn't move the ball and keep our drives alive."
