Quotes from Clemson Head Coach Frank Howard after Clemson-Auburn game:

" Except for three ~~pbax~~ plays, I thought our defense looked real good out there today. The first bad play, a broken tackle, gave a Auburn its first score. The second, I think somebody just forgot the play, and that was another Auburn score. I don't have any complaints about my defense. I just hope they play that well the rest of the season."

" I don't think the 21-10 score is a fair indication of the two teams. Auburn's 21 points came quick and otherwise we out played 'em. We blew about four chances to score, ~~at least~~, but I contribute a part of that to the heat. It was hot down on the field for an October game. Our boys were just pooped when it came time to take the ball in for the score."

" I put in Tom English at quarterback because Billy Ammons was worn out. Ammons hasn't scrimmage much all year and he's still working into playing shape. I had to use English to give him a breather. And I don't think English is a bad quarterback. He looked bad on the ~~interceptions~~ interceptions, but part of that was the fault of our receivers. They just weren't getting open."

"We're going to have to throw the ball ~~from now on~~ from now on if we expect to win, even if it means a few interceptions. I think we can win the rest of 'em if we throw and look sharp. We just can't run our backs to death."

"I'm worried about my offense, though. Anytime you can't take the ball in from the three, you get troubles. Sometimes they act like they want to play and then again they play dead. But we're gonna give somebody trouble yet. I still think we'll take the ACC."

QUOTES FROM AUBURN HEAD COACH RALPH JORDAN:

"I can't find the word to describe our outburst in the ~~first~~ third quarter. I am not sure if it was effort or execution, but I'm sure ~~it~~ glad it came when it did. Clemson had contained us very well ~~and~~ and we were hanging on and needing a big play badly.

"The two runs by Dwight Hurston were on a special play we put in this week. He did a good job of breaking tackles on the way.

"Buddy McClinton's interception and return was a beautiful one and we really needed it too. However, I think the biggest play of the game came when Connie Frederick got off a long punt after the high snap. That play could have easily turned the game around. We seemed to catch fire after that. It's always hard to pick out individuals, but Mike Kolen, Buddy McClinton, Merrill Shirley, Don Webb and Senny Ferguson were consistent on defense. Al Giffin gave us good effort in his first game at tight end. However, he was a little anxious a couple of times jumped too soon. He'll settle down.

"Except for one lapse on the pass that set up Clemson's TD I thought the defense played well. I'm surprised we held them as well as we did, especially when you consider they had us backed up the whole first half.

"Clemson is too fine and tough a team not to win quite a bit from here on out. They played us a tough game like we knew they would. They were certainly ready to play and stayed after us. I've seen teams wilt after a spurt by the opponent, but Clemson got tougher and put a TD on the scoreboard. All of a sudden the game was turning around and we hanging on again.

"It seemed like we picked off a few passes, but we didn't stop them the first half.

QUOTES FROM AUBURN HEAD COACH RALPH JORDAN:

"I can't find the word to describe our outburst in the ~~7th~~ third quarter. I am not sure if it was effort or execution, but I'm sure ~~we~~ glad it came when it did. Clemson had contained us very well ~~and~~ and we were hanging on and needing a big play badly.

"The two runs by Dwight Hurston were on a special play we put in this week. He did a good job of breaking tackles on the way.

"Buddy McClinton's interception and return was a beautiful one and we really needed it too. However, I think the biggest play of the game came when Connie Frederick got off a long punt after the high snap. That play could have easily turned the game around. We seemed to catch fire after that. It's always hard to pick out individuals, but Mike Kolen, Buddy McClinton, Merrill Shirley, Don Webb and Sonny Ferguson

AUBURN HEAD COACH RALPH JORDAN
were consistent on defense. Al Giffin gave us good effort in his first game at tight end. However, he was a little anxious a couple of times jumped too soon. He'll settle down.

Let the word to describe our outburst in the ~~7th~~ third quarter. I am not sure if it was effort or execution, but I'm sure ~~we~~ glad it came when it did. Clemson had contained us very well ~~and~~ and we were hanging on and needing
"Except for one lapse on the pass that set up Clemson's TD I thought the defense played well. I'm surprised we held them as well as we did, especially when you consider they had us backed up the whole first half.

"Clemson is too fine and tough a team not to win quite a bit from here on out. They played us a tough game like we knew they would. They were certainly ready to play and stayed after us. I've seen teams wilt after a spurt by the opponent, but Clemson got tougher and put a TD on the scoreboard. All of a sudden the game was turning around and we hanging on again.

"It seemed like we picked off a few passes, but we didn't stop them the first half.
