Duke coach Tom Harp:

We could have stuck it to them and gone ahead by two touchdowns. We had the chances. As it was, we couldn't capitalize when we had the chance and let them off. They got a couple bombs after that and the rivers started flowing. It was they--instead of us--who were sky high. I was not particularly displeased with the effort. It was the mistakes (the fumbles) that killed us. ~~Our~~ defense has got to get better. We're still a good football team but we'll just have to try harder, especially in the clutch situations. We knew Clemson would get some breaks but we sure helped them. We'll have to get better for Army next week. We've got some tough ones left on our schedule.

Clemson coach Frank Howard:

" Frankly I'm not satisfied with my offense or my defense, but thank goodness for ~~the win~~ the win. How we scored 33 points in the second half I'll never know. I do know that if Duke hadn't fumbled at the times ~~it~~ it did, the score could have been their way instead of ours. Duke looked like it ~~xx~~ could score anytime it got the ball, but fumbles and interceptions made the difference. I'm proud of my boys and I think they can take all the way now."

" We do have problems, however, and we'll have to correct them before next week's game with Alabama. I've seen more good quarterbacks this season than any other season since I started coaching. But I'd have to say that Hart boy of Duke's is a real big league operator. He'll be one of the ACC's very best for the next couple years. I hate we have to face him again. Duke has a good team and if ~~they~~ <sup>can</sup> they could hold onto the football they'll go ~~along~~ a long way yet."

" I sure was glad we had Yauger today. Gore hurt his knee and Yauger carried us when he ~~xxxx~~ was needed most. Yauger is my kind of player. He plays hard when the pressure is on and he broke the game open for us in the second half. Waters will be used from now on at ~~x~~ flanker and quarterback, and I'm real

Duke coach Tom Harp:

We could have stuck it to them and gone ahead by two touchdowns. We had the chances. As it was, we couldn't capitalize when we had the chance and let them off. They got a couple bombs after that and the rivers started flowing. It was they--instead of us-- who were sky high. I was not particularly displeased with the effort. It was the mistakes (the fumbles) that killed us. Our defense has got to get better. We're still a good football team but we'll just have to try harder, especially in the clutch situations. We knew Clemson would get some breaks but we sure helped them. We'll have to get better for Army next week. We've got some tough ones left on our schedule.

Clemson coach Frank Howard:

" Frankly I'm not satisfied with my offense or my defense, but thank goodness for ~~xxxxxx~~ the win. How we scored 33 points in the second half I'll never know. I do know that if Duke hadn't fumbled at the times ~~it~~ it did, the score could have been their way instead of ours. Duke looked like it ~~ax~~ could score anytime it got the ball, but fumbles and interceptions made the difference. I'm proud of my boys and I think they can take all the way now."

" We do have problems, however, and we'll have to correct them before next week's game with Alabama. I've seen more good quarterbacks this season than any other season since I started coaching. But I'd have to say that Hart boy of Duke's is a real big league operator. He'll be one of the ACC's very best for the next couple years. I hate we have to face him again. Duke has a good team and if <sup>can</sup> they ~~could~~ hold onto the football they'll go ~~along~~ a long way yet."

" I sure was glad we had Yauger today. Gore hurt his knee and Yauger carried us when he ~~xxxxx~~ was needed most. Yauger is my kind of player. He plays hard when the pressure is on and he broke the game open for us in the second half. Waters will be used from now on at ~~X~~ flanker and quarterback, and I'm real
