Quotes from Coach Frank Howard:

"Well, obviously South Carolina had the best team out there today. They deserved to win. I thought our defense played an outstanding game and I was very proud of them. But my offense let me down. They just didn't have punch. We missed Yauger more than they missed Ziegler, but our offense was just off all the way ~~xxx~~ around. Of all the games I wanted to win this one. And I thought we would. But that's why those 53,000 fans were out here today-- you never know what's going to happen. That's football."

"Our defense looked good on the goal line, but they wore themselves out because we never had good field position. On that drive ~~xxx~~ late in the game, we should have scored eventually. There was no excuse for not scoring. We were down and they were up. They played to win, we didn't. For the past two years we have had the emotional drive. This year South Carolina had it. That's the difference."

Post game quotes: COACH PAUL DIETZEL

"It was a fine victory. Our defensive ~~xxx~~ effort was as great as I have ever seen. We won the game on defense, although our offense contributed a lot by controlling the ball (101 plays to 60) and even though our offense didn't score, it kept the defense rested and the defense really rose to the occasion, stopping Clemson time after time and getting us our points on that punt return by Tyler Hellams who played an unbelievable game. The football team gave me the game ball in the dressing room and, believe me, I will always cherish it.

"We had a million opportunities to score, but Clemson is a big, strong team and kept our offense out of the end zone.

"We had some key interceptions, and so did Clemson.

"I thought I had blown the game when I sent in that play that Tommy threw for the last interception. That was the dumbest call I ever made, but I underestimated our defense, they rose to the occasion again and took it right back.

"I thought Benny Galloway did a great job. He was playing on a terrible ankle and with a fractured hand, but he came through in the clutch. We had so many heroes, I can't name them all, but it was a win I'll never forget."

Quotes from Coach Frank Howard:

"Well, obviously South Carolina had the best team out there today. They deserved to win. I thought our defense played an outstanding game and I was very proud of them. But my offense let me down. They just didn't have punch. We missed Yauger more than they missed Ziegler, but our offense was just off all the way ~~xxx~~ around. Of all the games I wanted to win this one. And I thought we would. But that's why those 53,000 fans were out here today-- you never know what's going to happen. That's football."

"Our defense looked good on the goal line, but they wore themselves out because we never had good field position. On that drive ~~xxx~~ late in the game, we should have scored eventually. There was no excuse for not scoring. We were down and they were up. They played to win, we didn't. For the past two years we have had the emotional drive. This year South Carolina had it. That's the difference."

Post game quotes: COACH PAUL DIETZEL

"It was a fine victory. Our defensive ~~xxx~~ effort was as great as I have ever seen. We won the game on defense, although our offense contributed a lot by controlling the ball (101 plays to 60) and even though our offense didn't score, it kept the defense rested and the defense really rose to the occasion, stopping Clemson time after time and getting us our points on that punt return by Tyler Hellams who played an unbelievable game. The football team gave me the game ball in the dressing room and, believe me, I will always cherish it.

"We had a million opportunities to score, but Clemson is a big, strong team and kept our offense out of the end zone.

"We had some key interceptions, and so did Clemson.

"I thought I had blown the game when I sent in that play that Tommy threw for the last interception. That was the dumbest call I ever made, but I underestimated our defense, they rose to the occasion again and took it right back.

"I thought Benny Galloway did a great job. He was playing on a terrible ankle and with a fractured hand, but he came through in the clutch. We had so many heroes, I can't name them all, but it was a win I'll never forget."
