Note of Interest

Clemson Weather Bureau record show that a thunderstorm broke loose over "Death Valley" at 2:50 p.m. October 12, 1963. And in a 20-minute period from 2:50 to 3:10 p.m., 0.87 inches of rain fell with another 0.08 inches during the next 30-minute period giving a total of 0.95 inches. By 3:05 p.m., hail completely covered the playing field. By the way, this was the only rain that occurred in Clemson during Oct. 1963.

And you guessed it, it was during the 1963 Clemson-Georgia football game.

Quotes From Clemson Head Coach Frank Howard

"When you play a good football team, you are going to get beat unless you are extremely good yourself.

"I didn't think anyone would shut us out this year, but Georgia did. I didn't think anyone could run through us, but Georgia did.

"They have a good football team, but I don't think it is great.

"Georgia scored 30 points on us out there today and everyone of those points was well-earned. They played a lot of good, young players. They had lot more boys they could play than we did.

"I don't think we are as bad as we seemed to be today. We're going to get better, but we certainly have a lot of work to do.

"One of the things that hurt us out there was our defensive backfield. Also on a lot of our passes, the receivers who have been catching the ball well all along were not looking for the ball and it was thrown straight to them.

"I was pleased with the way (Jack) Anderson ran and I certainly think that (Tommy) Kendrick is going to be a great quarterback."

Quotes from Georgia Head Coach Vince Dooley

"I was quite pleased with the work of our defense today; they looked better than last week in the face of even stiffer competition than last week. Back-to-back shutouts in this day and time are a tribute to the defense. We hope to improve on the running game; it was not what I wanted. The pass protection was good again today. (Mike) Cavan moved the club well on several occasions. The score is somewhat deceiving; we had several easy scores. Clemson is better than the score indicated; they moved the ball well and their defense against our rushing was very good. They are going to get better as the season progresses."

Note of Interest

Clemson Weather Bureau record show that a thunderstorm broke loose over "Death Valley" at 2:50 p.m., October 12, 1963. And in a 20-minute period from 2:50 to 3:10 p.m., 0.87 inches of rain fell with another 0.08 inches during the next 30-minute period giving a total of 0.95 inches. By 3:05 p.m., hail completely covered the playing field. By the way, this was the only rain that occurred in Clemson during Oct. 1963.

And you guessed it, it was during the 1963 Clemson-Georgia football game.

Quotes From Clemson Head Coach Frank Howard

"When you play a good football team, you are going to get beat unless you are extremely good yourself.

"I didn't think anyone would shut us out this year, but Georgia did. I didn't think anyone could run through us, but Georgia did.

"They have a good football team, but I don't think it is great.

"Georgia scored 30 points on us out there today and everyone of those points was well-earned. They played a lot of good, young players. They had lot more boys they could play than we did.

"I don't think we are as bad as we seemed to be today. We're going to get better, but we certainly have a lot of work to do.

"One of the things that hurt us out there was our defensive backfield. Also on a lot of our passes, the receivers who have been catching the ball well all along were not looking for the ball and it was thrown straight to them.

"I was pleased with the way (Jack) Anderson ran and I certainly think that (Tommy) Kendrick is going to be a great quarterback."

Quotes from Georgia Head Coach Vince Dooley

"I was quite pleased with the work of our defense today; they looked better than last week in the face of even stiffer competition than last week. Back-to-back shutouts in this day and time are a tribute to the defense... We hope to improve on the running game; it was not what I wanted. The pass protection was good again today. (Mike) Cavan moved the club well on several occasions.... The score is somewhat deceiving; we had several easy scores... Clemson is better than the score indicated; they moved the ball well and their defense against our rushing was very good. They are going to get better as the season progresses."
