Quotes from Clemson Head Coach Frank Howard:

"There's not too much you can ~~say~~ say after a game like that except that you got beat and I think everyone knows that by now. All I can say is that Alabama is better and faster than us. When you run up against that type of thing, you get just what you saw out there today.

"Our defense didn't play well today, but of course we didn't score every time we got the ball either.

"They have a fine football team, but it's not the best I've ever seen. We tried every defense in the book against them, but couldn't stop them too many times.

"(Charlie) Waters looked good today and he made some fine runs. (Ray) Yauger had a good day, but they were just plain better than we were today.

"I know ~~the~~ Bear is feeling pretty good. That's his 100th victory at Alabama so he has a right to be happy.

"I certainly hope we can pick up the pieces and be ready for Maryland next week. We are going to have to be ready."

Quotes from Alabama Head Coach Paul (Bear) Bryant:

Game captains Danny Ford and Alvin Samples presented Coach Bryant with the game ball, after pasting one of the "100" stickers on it.

Q - what was that for?

"It was for the 100 games the team has won since I've been here. I can assure you I contributed little or nothing.

"I was tremendously proud of the team for the ~~team~~ comeback they made. It took a lot of class. We came right out at the opening gong and got after them.

"I think the defense improved a lot. They sure put a lot into it. I think the poorest thing we did was gettin' all those penalties. We had some blocking and ~~the~~ Musso made some ~~knock~~ tough runs when it was close. Yauger did, too.

"Clemson was hitting as hard at the last as they were when the game started, but then that is one of Coach Howard's trademarks...they never gave up.

"I don't think Clemson had any good breaks. That Waters is a terrific receiver, and ~~X~~ Yauger hurt us too.

"I knew we had class, but I wanted to show everybody else."

Q - what was that for?

"It was for the 100 games the team has won since I've been here. I can assure you I contributed little or nothing.

"I was tremendously proud of the team for the ~~their~~ comeback they made. It took a lot of class. We came right out at the opening gong and got after them.

"I think the defense improved a lot. They sure put a lot into it. I think the poorest thing we did was gettin' all those penalties. We had some blocking and ~~the~~ Musso made some ~~through~~ tough runs when it was close. Yauger did, too.

"Clemson was hitting as hard at the last as they were when the game started, but then that is one of Coach Howard's trademarks...they never gave up.

"I don't think Clemson had any good breaks. That Waters is a terrific receiver, and ~~Y~~ Yauger hurt us too.

"I knew we had class, but I wanted to show everybody else."
