TODAY'S GAME

The Duke victory breaks a four game losing streak for the Blue Devils against Clemson. The last previous Duke victory was a 16-0 triumph in 1962

The Duke victory prevents Clemson from knotting the all-time series between the two clubs. Duke now has won 8 times, Clemson 6.

This is Tom Harp's first victory over Clemson.

Leo Hart Record Sheet

Hart today was 17 for 27 passes for 212 yards, had 11 carries for XX 46 yards--his total offense was 258 yards on 38 plays.

On the season Hart is 124 for 226 passing, a percentage of 54.8%, for 1435 yards. Rushing, he has 93 rushing attempts for a net of -5 yards, giving him a total offense' of 1430 yards in 319 offensive plays.

COACHES' QUOTES

Duke Coach Tom Harp:

We've been playing good football for the past three weeks, against N.C. State and ~~TECH~~ Tech and today we played well. And if you can play three good ones in a row, you're bound to win one. In twenty years of coaching I don't know when a team has had to overcome so many obstacles (201 yards in penalties) in order to win. But our guys played courageously. They didn't quit when they were down 9-0. They kept coming back and coming back.

Searl's interception set up our second touchdown and we knew we could do it.

They have a fine passer in Kendrick, and we expected them to complete some passes. But I was disappointed that they connected on those bombs. Except for the bombs I think our secondary came through well. Clemson still completed less than 50% of their passes.

The guys in our offensive line deserve a lot of credit. We had another unfortunate thing happen Wednesday night when Bob Morris, who's been playing with bad knees was injured again. He has a lot of courage, but the injury is the reason he only played half the game. And we were also playing without Dan Phelan, starting offensive guard, who was injured on the first play against Tech.

It was a great one to win. We beat a mighty strong Clemson Team with a lot of fine personnel. And they're by no means out of the conference race. I just hope that today's win will give us a little extra momentum for our final two games.

~~TECH~~

COACHES' QUERIES

COACH FRANK HOWARD OF CLEMSON: I thought we were going to be ready to play because I think our practices this past week have been the best since I've been at Clemson. But our defense fell down and the offense gave up the ball when they shouldn't have. Today was just Duke's day. It wasn't ours.

The way we started out, I thought we'd do all right. But Duke probably played better than we did.

When we came up here, ~~the~~ things looked awfully ~~xx~~ rosy, and now it looks a little black (in reference to the ACC championship)

Duke looked pretty good. In fact, they were a good team out there today.

On those passes Hart was completing, Howard said, "We had men out there, but that Hart can just rifle that ball. Man, he's a good one."

At the center of the field, Coach Tom Harp said to Howard: "I guess the law of averages is bound to come through for us. You'd beaten me four straight times and those law of averages were bound to catch up with us someday."

Howard reiterated to Harp what a fine football player he thought Leo Hart was.

CLEMSON RECORDS BROKEN:

Clemson flanker Charlie Waters caught 3 passes in the Duke game, giving him 43 for the season. This breaks the Clemson season record of 42 set by Phil Rogers in 1966.

COACHES' QUERIES

COACH FRANK HOWARD OF CLEMSON: I thought we were going to be ready to play because I think our practices this past week have been the best since I've been at Clemson. But our defense fell down and the offense gave up the ball when they shouldn't have. Today was just Duke's day. It wasn't ours.

The way we started out, I thought we'd do all right. But Duke probably played better than we did.

When we came up here, ~~the~~ things looked awfully ~~xx~~ rosy, and now it looks a little black (in reference to the ACC championship)

Duke looked pretty good. In fact, they were a good team out there today.

On those passes Hart was completing, Howard said, "We had men out there, but that Hart can just rifle that ball. Man, he's a good one."

At the center of the field, Coach Tom Harp said to Howard: "I guess the law of averages is bound to come through for us. You'd beaten me four straight times and those law of averages were bound to catch up with us someday."

Howard reiterated to Harp what a fine football player he thought Leo Hart was.

CLEMSON RECORDS BROKEN:

Clemson flanker Charlie Waters caught 3 passes in the Duke game, giving him 43 for the season. This breaks the Clemson season record of 42 set by Phil Rogers in 1966.

COACHES' QUOTES

Duke Coach Tom Harp:

We've been playing good football for the past three weeks, against N.C. State and ~~TECH~~ Tech and today we played well. And if you can play three good ones in a row, you're bound to win one. In twenty years of coaching I don't know when a team has had to overcome so many obstacles (201 yards in penalties) in order to win. But our guys played courageously. They didn't quit when they were down 9-0. They kept coming back and coming back.

Searl's interception set up our second touchdown and we knew we could do it.

They have a fine passer in Kendrick, and we expected them to complete some passes. But I was disappointed that they connected on those bombs. Except for the bombs I think our secondary came through well. Clemson still completed less than 50% of their passes.

The guys in our offensive line deserve a lot of credit. We had another unfortunate thing happen Wednesday night when Bob Morris, who's been playing with bad knees was injured again. He has a lot of courage, but the injury is the reason he only played half the game. And we were also playing without Dan Phelan, starting offensive guard, who was injured on the first play against Tech.

It was a great one to win. We beat a mighty strong Clemson Team with a lot of fine personnel. And they're by no means out of the conference race. I just hope that today's win will give us a little extra momentum for our final two games.

Leo Hart Record Sheet
