QUOTING AUBURN HEAD COACH RALPH JORDAN:

"From the standpoint of penalties and fumbles, this was easily our best game. We seemed more relaxed and ready to play from the beginning. It is quite obvious that Pat Sullivan and Terry Beasley are pretty good hands and they have plenty of help. Our first unit offense scored the first three times it had the ball. This allowed us to play quite a few players and give them some experience that will be very valuable as we go on down the road. We played everyone we brought except the injured boys and some who have not played yet. Terry Henley looked like a good running back and he might be ready to help us now. He had been plagued by fumbles and mistakes earlier in the year.

*

ABOUT INJURED BOBBY STRICKLAND AND DICK SCHMALZ.....Strickland has a pulled muscle in the back of his knee and did not play. Schmalz has a bruised shoulder and did not play. Both boys are expected to be ready for Georgia Tech next week.

STATEMENT BY COACH HOOTIE INGRAM

I thought we played a horrible game. I didn't get them ready, but we'll just have to go back to work and be prepared for the next game.

We got a lot of players hurt, but I'm not making that as an excuse. A lot of other teams do too, and they keep on going, and we'll do the same.

Auburn has a fine football team. Sullivan is a great quarterback. We knew he was a great one though. Auburn is the best football team we've played this year. They have more balance -- more everything.

The reason we started Gilstrap today is because we thought he'd be more effective against the type defense we'd face. I thought he did a capable job. We had some backfields in there who hadn't played together and I think on some of those drives our mistakes stopped us more than the Auburn defense.

Injury report: Tailback Ray Yauger had a pulled muscle, status indefinite
Defensive tackle John Price is out for the season with a
knee injury. Will probably undergo surgery Sunday.

QUOTING AUBURN HEAD COACH RALPH JORDAN:

"From the standpoint of penalties and fumbles, this was easily our best game. We seemed more relaxed and ready to play from the beginning. It is quite obvious that Pat Sullivan and Terry Beasley are pretty good hands and they have plenty of help. Our first unit offense scored the first three times it had the ball. This allowed us to play quite a few players and give them some experience that will be very valuable as we go on down the road. We played everyone we brought except the injured boys and some who have not played yet. Terry Henley looked like a good running back and he might be ready to help us now. He had been plagued by fumbles and mistakes earlier in the year.

*

ABOUT INJURED BOBBY STRICKLAND AND DICK SCHMALZ.....Strickland has a pulled muscle in the back of his knee and did not play. Schmalz has a bruised shoulder and did not play. Both boys are expected to be ready for Georgia Tech next week.

STATEMENT BY COACH HOOTIE INGRAM

I thought we played a horrible game. I didn't get them ready, but we'll just have to go back to work and be prepared for the next game.

We got a lot of players hurt, but I'm not making that as an excuse. A lot of other teams do too, and they keep on going, and we'll do the same.

Auburn has a fine football team. Sullivan is a great quarterback. We knew he was a great one though. Auburn is the best football team we've played this year. They have more balance -- more everything.

The reason we started Gilstrap today is because we thought he'd be more effective against the type defense we'd face. I thought he did a capable job. We had some backfields in there who hadn't played together and I think on some of those drives our mistakes stopped us more than the Auburn defense.

Injury report: Tailback Ray Yauger had a pulled muscle, status indefinite
Defensive tackle John Price is out for the season with a
knee injury. Will probably undergo surgery Sunday.
