STATEMENT BY COACH HOOTIE INGRAM OF CLEMSON

Ovr line put good pressure on the passer all afternoon, but we felt like our defensive team was well prepared for this game.

When the Maryland passer had to rush his ~~xxxxxx~~ throws, that helped out in the secondary as he couldn't be as accurate, or have as much time, picking out his receivers.

We put in a new stunt about the middle of the week for our ends and they did all right with it. I think we did a pretty good job stopping their power plays, the ends especially.

For the past ~~xxxxx~~ couple of weeks now we have been playing with a lot of enthusiasm, but we haven't been putting any points on the board.

I think Maryland was a well prepared ball club. They come at you pretty good on the power stuff, as well as on defense. But our boys did everything we've been asking them to do, and you see what happens when you put it all together.

Florida State (next week's opponent) had a young team at the start of the year, but they've jelled pretty good now. It takes a real dedicated team to go down to Tallahassee to play.

Quotes from Coach Roy Lester

"h¹

"This is the lowest ebb that we've been in all season."

"Right now, I'm in the process of giving myself a more critical evaluation than ever before. It's not the kids' fault, it is mine."

"If I'm not doing the proper job I'm willing to relinquish the job. I took this loss very personally."

"I've got a lot of personal prideI have to give it alot of thought," Lester answered in reference as to whether he would be back next year.

"I don't know if they have been given proper leadership. I don't believe in blessing the kids."

"I don't want to draw attention that these kids are losing ballplayers-- maybe I'm the one to blame."

Lester thinks the defensive team is "overrated" "They're a part of the team too. Everyone on the team is a unit and they have to stick together as one."

About quarterback Jeff Shugars..."A man should never throw the football unless he's sure he can complete it." "Maybe its my fault that we haven't gotten this point across to Jeff."

On fumbles..."A kid's carelessness makes a kid fumble...I know we have told Art and all the others that you've got to cover the footballup."

"I don't want to draw attention to the fact that these kids are losing ballplayers--maybe I'm more to blame."

"Anytime something goes wrong with a losing ballclub--everything goes wrong. You've got to get a winning tradition. Nobody's ever won anything around here. Our program has gotten behind the last 5 years and ~~watx~~ we're having a rough time catching up--that's all there is to it."
