BILL DOOLEY QUOTES:

"We put it all together today and played like we are capable of playing. It was our best all-around game of the season when you consider offense and defense. We've probably had days when we did one or the other better, but not when we played so well overall.

"I'll say this about the Clemson team. They kept coming after us and that is a tribute to their coaching staff. I coached with Hootie Ingram and I can tell you that any team of his will always come after you. He's a fine football coach.

"McCauley certainly had another big day--like he has had every week. Men, he is plain and simply a great football player. Oglesby ran well, too. And I thought Miller did a fine job of directing out attack.

"I was especially proud of the defense. We came up with a lot of big plays, interceptions and blocked passes. Brafford had a fine game. So did out tackles, Flip Ray and Bud Grissom.

"We were not concerned about the rain. I told the squad we didn't care if it rained or shined--that we were just going out there and play our game. That's what we did. Actually, the field was in good shape. The Clemson people have done a good job with the field. And I was told that it hasn't rained any here in the past couple of days. So I don't think the playing field condition was a factor in the game.

"I want to say something about our offensive line because they have done such a great job all season. Fellows like Hoolahan, Hambacher, Urzybowski, Hicks and our tight ends. They all are good blockers."

HOOTIE INGRAM QUOTES

I don't want to take anything away from North Carolina, but we played a very poor football game. In fact, it's the worst game we've played all year long.

We didn't block well, we didn't tackle well. We weren't ready to play and didn't play. I don't know why. We didn't have much enthusiasm. We didn't have any when we warmed up.

This is our 10th game of the season and we're supposed to be ready to play. But we had some people who didn't lay it on the line. I'll take the blame for 90 per cent of it, but 10 per cent goes somewhere else.

We gave them two gifts early in the game and then had to play catch up. ~~The game developed like it did because we gave them a couple of easy ones to start out with.~~
The game developed like it did because we gave them a couple of easy ones to start out with.

We started the game in the best physical condition since the Virginia game, but now we're probably more beat up than at any time during the year. Both Dorn and Watts (starting offensive tackles) are hurt and so is Watson (1st string linebacker). We don't know how serious, but they probably won't play next week.

BILL DOOLEY QUOTES:

"We put it all together today and played like we are capable of playing. It was our best all-around game of the season when you consider offense and defense. We've probably had days when we did one or the other better, but not when we played so well overall.

"I'll say this about the Clemson team. They kept coming after us and that is a tribute to their coaching staff. I coached with Hootie Ingram and I can tell you that any team of his will always come after you. He's a fine football coach.

"McCauley certainly had another big day--like he has had every week. Men, he is plain and simply a great football player. Oglesby ran well, too. And I thought Miller did a fine job of directing out attack.

"I was especially proud of the defense. We came up with a lot of big plays, interceptions and blocked passes. Brafford had a fine game. So did out tackles, Flip Ray and Bud Grissom.

"We were not concerned about the rain. I told the squad we didn't care if it rained or shined--that we were just going out there and play our game. That's what we did. Actually, the field was in good shape. The Clemson people have done a good job with the field. And I was told that it hasn't rained any here in the past couple of days. So I don't think the playing field condition was a factor in the game.

"I want to say something about our offensive line because they have done such a great job all season. Fellows like Hoolahan, Hambacher, Orzybowski, Hicks and our tight ends. They all are good blockers."

HOOTIE INGRAM QUOTES

I don't want to take anything away from North Carolina, but we played a very poor football game. In fact, it's the worst game we've played all year long.

We didn't block well, we didn't tackle well. We weren't ready to play and didn't play. I don't know why. We didn't have much enthusiasm. We didn't have any when we warmed up.

This is our 10th game of the season and we're supposed to be ready to play. But we had some people who didn't lay it on the line. I'll take the blame for 90 per cent of it, but 10 per cent goes somewhere else.

We gave them two gifts early in the game and then had to play catch up. ~~The game developed like it did because we gave them a couple of easy ones to start out with.~~
The game developed like it did because we gave them a couple of easy ones to start out with.

We started the game in the best physical condition since the Virginia game, but now we're probably more beat up than at any time during the year. Both Dorn and Watts (starting offensive tackles) are hurt and so is Watson (1st string linebacker). We don't know how serious, but they probably won't play next week.

STATEMENT BY COACH HOOTIE INGRAM OF CLEMSON

Our line put good pressure on the passer all afternoon, but we felt like our defensive team was well prepared for this game.

When the Maryland passer had to rush his ~~throws~~ throws, that helped out in the secondary as he couldn't be as accurate, or have as much time, picking out his receivers.

We put in a new stunt about the middle of the week for our ends and they did all right with it. I think we did a pretty good job stopping their power play, the ends especially.

For the past ~~xxxxx~~ couple of weeks now we have been playing with a lot of enthusiasm, but we haven't been putting any points on the board.

I think Maryland was a well prepared ball club. They come at you pretty good on the power stuff, as well as on defense. But our boys did everything we've been asking them to do, and you see what happens when you put it all together.

Florida State (next week's opponent) had a young team at the start of the year, but they've jelled pretty good now. It takes a real dedicated team to go down to Tallahassee to play.
