Winds will be northeasterly 8 to 16 miles an hour.

ADDITIONAL INFORMATION ON WEATHER

Rain began in the Clemson area at 7:30 p.m. Friday night and by 11 a.m. Saturday morning, .77 inch of rain had accumulated.

The rain area is highly localized and is confined to an area from near Spartanburg to Anderson, almost to Athens, Ga., and back to the South Carolina mountains.

Highly localized weather is typical for the Clemson-Georgia football games. You may recall, it was in 1963 that a highly localized thunderstorm dumped .95 inches of rain with hail on Death Valley. The storm began shortly before the half and ended and before long, the entire football field was covered with hail.

No thunderstorms or hail is expected for today.

QUOTES FROM COACH VINCE DOOLEY:

I'm pleased with our effort, especially in the second half. There of course is still some room for improvement.....Clemson is definitely an improved team over last year. They really played inspired ball the first half.....Possibly the reason we didn't do too well in the first half was due to the easy touchdown via the interception. We just may have sighed a sigh of ~~REHEHE~~ relief and didn't play very well after that in the first half.....We were very fortunate to have such excellent field position, especially in the second half. Our kicking game was excellent in that respect. Even though Clemson was moving the ball, they had to go a long way nearly every time and just couldn't sustain a drive.....Our offensive line blocked much better in the second half, and the backs ran harder.....As for James Ray, he played well when he came in. I believe he just got knocked out a little. His neck is a little sore, but I think he ~~is~~ is all right.

STATEMENT BY COACH HOOTIE INGRAM OF CLEMSON

I'm proud of the way we played in this game. Every phase of the game was better than what we showed against Kentucky. I feel a lot better about this team now at 0-2 than I did with the one last year at this time when they were 2-0.

We're a 1,000 per cent better, and our players are playing to the best of their ability. I'm happy with our program here at Clemson, except a few of our fans with 50-yard line seats who were booing our kids at the end of the game. Our student ~~body~~ body is with us a 100 per cent and stayed with us right to the end.

Our boys gave a supreme effort. I don't the interception return for a touchdown hurt our football team a bit. The play that did put us in the hole was when we batted down a pass about the 50-yard line and Wayne Baker grabbed it before it hit the ground. There was no doubt about it. The ball never touched the ground, but it was ruled an incompletion and on the next play, the ball was punted ~~is~~ dead at our 6-inch line. The incomplete call was a very critical play for us.

ADDITIONAL INFORMATION ON WEATHER

Rain began in the Clemson area at 7:30 p.m. Friday night and by 11 a.m. Saturday morning, .77 inch of rain had accumulated.

The rain area is highly localized and is confined to an area from near Spartanburg to Anderson, almost to Athens, Ga., and back to the South Carolina mountains.

Highly localized weather is typical for the Clemson-Georgia football games. You may recall, it was in 1963 that a highly localized thunderstorm dumped .95 inches of rain with hail on Death Valley. The storm began shortly before the half and ended and before long, the entire football field was covered with hail.

No thunderstorms or hail is expected for today.

QUOTES FROM COACH VINCE DOOLEY:

I'm pleased with our effort, especially in the second half. There of course is still some room for improvement.....Clemson is definitely an improved team over last year. They really played inspired ball the first half.....Possibly the reason we didn't do too well in the first half was due to the easy touchdown via the interception. We just may have sighed a sigh of ~~RELEF~~ relief and didn't play very well after that in the first half.....We were very fortunate to have such excellent field position, especially in the second half. Our kicking game was excellent in that respect. Even though Clemson was moving the ball, they had to go a long way nearly every time and just couldn't sustain a drive.....Our offensive line blocked much better in the second half, and the backs ran harder.....As for James Ray, he played well when he came in. I believe he just got knocked out a little. His neck is a little sore, but I think he ~~is~~ is all right.

~~XXXXXXXXXXXX~~

STATEMENT BY COACH HOYTIE INGRAM OF CLEMSON

I'm proud of the way we played in this game. Every phase of the game was better than what we showed against Kentucky. I feel a lot better about this team now at 0-2 than I did with the one last year at this time when they were 2-0.

We're a 1,000 per cent better, and our players are playing to the best of their ability. I'm happy with our program here at Clemson, except a few of our fans with 50-yard line seats who were booing our kids at the end of the game. Our student ~~body~~ body is with us a 100 per cent and stayed with us right to the end.

Our boys gave a supreme effort. I don't the interception return for a touchdown hurt our football team a bit. The play that did put us in the hole was when we batted down a pass about the 50-yard line and Wayne Baker grabbed it before it hit the ground. There was no doubt about it. The ball never touched the ground, but it was ruled an incompletion and on the next play, the ball was punted ~~is~~ dead at our 6-inch line. The incomplete call was a very critical play for us.
