## QUOTES

### COACH HOOTIE INGRAM, CLEMSON

I thought we played a real fine football game ~~g~~ against ~~g~~ a real fine football team. We got a little charitable there a ~~couple~~ couple of times, but I'm real proud of the way we met the challenge.

Our players realized after that first interception that ~~we~~ they were going to try and blow us out of the stadium. And we were playing five defensive backs in order to cut down on their passing. We told our front men that we were leaving them a little thin, but they did a good job stopping the Auburn rushing game. I think most of their yards rushing ~~was~~ was on draw type plays.

Our offensive threat was real good. We had trouble blocking Yearout, but everybody else has to. We didn't gain as much running away from him as we did running straight at him. He has such tremendous movement that he'll catch you when you run away from him.

I thought Marion Reeves (No. 38) played a tremendous game. We actually had two Tiger (rover or monster) backs in there--Reeves and Dale Henry (No. 15) and they did a real fine job protecting our flanks.

Today we played one of the outstanding passing teams and next week, we have one of the top rushing teams in the nation (Wake Forest). I believe we can meet this challenge.

### COACH RALPH JORDAN, AUBURN

I told Hootie Ingram after the game that Clemson had made tremendous improvement since we played them a year ago. They are aggressive, quick, and they did the little things like cover punts extremely well.

They were well prepared for us and did a fine job in their secondary. In fact, they did the best job of any team we have played this year.

Clemson was very obviously ready for us, and I like to think we won from a very fine team. We knew from watching their films of the Duke game that were very capable of beating anyone.

Our defense came up with lots of big plays. We were lucky to get out with just field goals a couple of times.

Bob Brown has now played six outstanding games for us this year. He's the most consistent big play defensive end we've had here in years. I don't see how he can miss being all conference if he keeps playing like this.

Both tta tackles, Tommy Yearout and Benny Sivley played well. Sivley was double teamed a lot, but he stacked up the dive well, and the dive play~~s~~ has been a very good one for them this year.

The secondary played well overall, and Mike Flynn easily had his best game.

## QUOTES

### COACH HOOTIE INGRAM, CLEMSON

I thought we played a real fine football game ~~q~~ against ~~q~~ a real fine football team. We got a little charitable there a ~~couple~~ couple of times, but I'm real proud of the way we met the challenge.

Our players realized after that first interception that ~~we~~ they were going to try and blow us out of the stadium. And we were playing five defensive backs in order to cut down on their passing. We told our front men that we were leaving them a little thin, but they did a good job stopping the Auburn rushing game. I think most of their yards rushing ~~we~~ was on draw type plays.

Our offensive threat was real good. We had trouble blocking Yearout, but everybody else has to. We didn't gain as much running away from him as we did running straight at him. He has such tremendous movement that he'll catch you when you run away from him.

I thought Marion Reeves (No. 38) played a tremendous game. We actually had two Tiger (rover or monster) backs in there--Reeves and Dale Henry (No. 15) and they did a real fine job protecting our flanks.

Today we played one of the outstanding passing teams and next week, we have one of the top rushing teams in the nation (Wake Forest). I believe we can meet this challenge.

### COACH RALPH JORDAN, AUBURN

I told Hootie Ingram after the game that Clemson had made tremendous improvement since we played them a year ago. They are aggressive, quick, and they did the little things like cover punts extremely well.

They were well prepared for us and did a fine job in their secondary. In fact, they did the best job of any team we have played this year.

Clemson was very obviously ready for us, and I like to think we won from a very fine team. We knew from watching their films of the Duke game that were very capable of beating anyone.

Our defense came up with lots of big plays. We were lucky to get out with just field goals a couple of times.

Bob Brown has now played six outstanding games for us this year. He's the most consistent big play defensive end we've had here in years. I don't see how he can miss being all conference if he keeps playing like this.

Both tta tackles, Tommy Yearout and Benny Sivley played well. Sivley was double teamed a lot, but he stacked up the dive well, and the dive plays has been a very good one for them this year.

The secondary played well overall, and Mike Flynn easily had his best game.
