COACHES QUOTES - South Carolina (7) vs. Clemson (17), 11/27/71

COACH PAUL DIETZEL: "We got out played by a darned good football team. We were out hit, out hustled, out coached. We didn't deserve to be on the field with them. We sprung Harris one week too soon. And, just what we feared happened, he hurt his ankle and was hobbled after that.

"This was a very fine victory for Hootie. It would help if I could say it was a fluke, but it wasn't. They won because they deserved to win. They came ready to play and played from the opening gun. We played better in the second half, but it was too late.

"I am sorry for our seniors. We got so much effort and leadership out of them all year. I wish they could have gone out winners.

"Clemson didn't surprise us. We thought they would use Hughes more today and they did. He's a good runner.

"We've had some great moments this season and some sorry ones. This was about the sorriest."

COACH HOOTIE INGRAM, Clemson: Our boys put out a great effort. All week long there was a great silence getting ready for this game. Everything went wrong for me this week, and I was sure that something good was going to happen before the week was out, and it happened today. We had an awfully cold day Tuesday, couldn't go out because of the weather Wednesday, then I had to watch Oklahoma play on TV Thursday, and we play them the third game next season.

I have never been associated with a team that came as close as coming up to their potential each Saturday as this team has.

those pass
We played a good sensible game in the secondary, but those pass interceptions were brought about from the great job the front four did all day long. We had several combinations in there and all of them did just a fantastic job.

We had plan to throw a lot because South Carolina is one of the best team we've played this year defensing the rush. Kendrick threw the ball sensibily, and that accounts for no interceptions on our side. This is definitely the best game we've played all year long. Our offense did its best job in the fourth quarter on that long drive. Even though we didn't score, we used up about six minutes on the clock.

COACHES QUOTES - South Carolina (7) vs. Clemson (17), 11/27/71

COACH PAUL DIETZEL: "We got out played by a darned good football team. We were out hit, out hustled, out coached. We didn't deserve to be on the field with them. We sprung Harris one week too soon. And, just what we feared happened, he hurt his ankle and was hobbled after that.

"This was a very fine victory for Hootie. It would help if I could say it was a fluke, but it wasn't. They won because they deserved to win. They came ready to play and played from the opening gun. We played better in the second half, but it was too late.

"I am sorry for our seniors. We got so much effort and leadership out of them all year. I wish they could have gone out winners.

"Clemson didn't surprise us. We thought they would use Hughes more today and they did. He's a good runner.

"We've had some great moments this season and some sorry ones. This was about the sorriest."

COACH HOOTIE INGRAM, Clemson: Our boys put out a great effort. All week long there was a great silence getting ready for this game. Everything went wrong for me this week, and I was sure that something good was going to happen before the week was out, and it happened today. We had an awfully cold day Tuesday, couldn't go out because of the weather Wednesday, then I had to watch Oklahoma play on TV Thursday, and we play them the third game next season.

I have never been associated with a team that came as close as coming up to their potential each Saturday as this team has.

those pass
We played a good sensible game in the secondary, but those pass interceptions were brought about from the great job the front four did all day long. We had several combinations in there and all of them did just a fantastic job.

We had plan to throw a lot because South Carolina is one of the best team we've played this year defensing the rush. Kendrick threw the ball sensibily, and that accounts for no interceptions on our side. This is definitely the best game we've played all year long. Our offense did its best job in the fourth quarter on that long drive. Even though we didn't score, we used up about six minutes on the clock.

COACHES QUOTES - South Carolina (7) vs. Clemson (17), 11/27/71

COACH PAUL DIETZEL: "We got out played by a darned good football team. We were out hit, out hustled, out coached. We didn't deserve to be on the field with them. We sprung Harris one week too soon. And, just what we feared happened, he hurt his ankle and was hobbled after that.

"This was a very fine victory for Hootie. It would help if I could say it was a fluke, but it wasn't. They won because they deserved to win. They came ready to play and played from the opening gun. We played better in the second half, but it was too late.

"I am sorry for our seniors. We got so much effort and leadership out of them all year. I wish they could have gone out winners.

"Clemson didn't surprise us. We thought they would use Hughes more today and they did. He's a good runner.

"We've had some great moments this season and some sorry ones. This was about the sorriest."

COACH HOOTIE INGRAM, Clemson: Our boys put out a great effort. All week long there was a great silence getting ready for this game. Everything went wrong x for me this week, and I was sure that something good was going to happen before the week was out, and it happened today. We had an awfully cold day Tuesday, couldn't go out because of the weather Wednesday, then I had to watch Oklahoma play on TV Thursday, and we play them the third game next xx season.

I have never been associated with a team that came as close as coming up to their potential each Saturday as this team has.

those pass
We played a good sensible game in the secondary, but xbxxxpxxxx interceptions were brought about from the great job the front four did all day long. We had several combinations in there and all of them did just a fantastic job.

We had plan to throw a lot because South Carolina is one of the best team we've played this year defensing the rush. Kendrick threw the ball sensibily, and that accounts for no interceptions on our side. This is definitely the best game we've played all year long. Our offense did its best job in the fourth quarter on that long drive. Even though we didn't score, we used up about six minutes on the clock.
