2 Rice dressing room for Glemson game of Sept 23, 1972 at Rice Stadium  
AL CONOVER -- LXX " I'm glad to win even though I thought we should have scored a little more, but we made a lot of mistakes. We will have to go to work right away to correct our many errors to get ready for a real tough one next week against Georgia Tech. I'm just tickled to death we won tonight.

EDWIN COLLINS-- " I thought I was in (for that first touchdown). I was just hoping I hadn't bumbled it too long before going out of bounds. But I ~~had~~ did have control, so it counted. On the second one, I broke a route; they were looking for me to run the corner, so I broke back the other way. I'm just glad that (QB Bruce) Gadd picked up the move. Most of the night (the receivers) a lot of room, so we ran to the corners more.

" Glemson played tough and hard, and that (RB Jay) Washington was a real good runner.

#### COACH HOOTIE INGRAM OF GLEMSON

We had a couple of serious mistakes in the game that cost us scores. We fumbled the opening kickoff, but that didn't take us out of the game. They ripped us pretty good with their passing, and we didn't do a good job getting to the quarterback. Gadd had the ability to stay in the pocket, and many times, find his alternate receiver.

Rice were changing their defenses but our quarterback was reading them well and I think our option worked pretty good. I'm real encouraged with our passing game. ~~It~~ Sometimes our quarterback didn't read the end rush, but we have some people with big hearts and I can put up with that. With a little buckling down, we're going to get better and better. I was pleased with our kicking game except those two bad blunders. Siepe has sure hands and I'll continue to stick with him just as I did tonight. The big thing this team needs, especially our offense, is to play. Both quarterbacks did a good job and I feel like we'll have a decent offense pretty soon. (Smiley Sanders, has an injured leg charleyhorse, the extent of the injury not yet known)
