QUOTES FROM DUKE COACH MIKE MCGEE

"We were in a situation obviously that coming into this game we had had but one victory and the squad maintained themselves very well throughout. We are as proud of them as possible. To shut out Clemson in Clemson is quite a feat. Our hats are off to the squad. It was a team victory. Clemson is a big strong team physically and they changed their offense somewhat coming into the game, but we were able to adjust well and contained them. ~~We had a lot of good returns in the first half and the~~ The defensive front played very well and the secondary covered well. Their coverage enabled our rush to get to the quarterback and forced him to ~~scramble~~ scramble. It is a happy day for us. We are extremely happy for our players. ~~The~~ We were pleased that Mark Johnson returned to quarterback. But, we were pleased with the job Bob Albright and Hal Spears did for us during the year. We have several players that are injured. The whole team is happy for Mark. He had worked so hard to get ready to play Alabama.

Quotes from Mark Johnson-- "It feels super to be back in the lineup at quarterback. I have been working all week at quarterback and Coach McGee told me Wednesday or Thursday that I would probably see some action. Playing tailback and fullback helped my morale because I felt I was making a contribution to the team.

QUOTES FROM COACH HOOTIE INGRAM OF CLEMSON

I thought we move the ball well at times. We had a more diversified attack, but when you have that many penalties, you're going to get beat.

We felt like we had a good game plan, and it looked like we were about ready to put it over several times, but a penalty seemed to catch up with us each time. If we hadn't gotten some of those penalties, we were close enough in there several times where Eddie (Seigler) would have had some closer shots.

We fumbled the ball early and gave them good field position. Twice we stopped them after a fumble, but they put it in on the third try. We had enough offense to win a 7-0 ball game.

Both teams scraped well. Both were playing under the same circumstances. Mark Johnson playing at quarterback for the first time this year gave them a shot in the arm. It certainly gave them a lift, but we kinda thought he would play. Duke has a big, strong team. They have played some good opponents.

We'll just have to work even harder ~~harder~~ next week. Virginia has a fine ball club, some outstanding players and certainly more speed than any of the teams with the exception of Oklahoma that we have played

QUOTES FROM DUKE COACH MIKE MCGEE

"We were in a situation obviously that coming into this game we had had but one victory and the squad maintained themselves very well throughout. We are as proud of them as possible. To shut out Clemson in Clemson is quite a feat. Our hats are off to the squad. It was a team victory. Clemson is a big strong team physically and they changed their offense somewhat coming into the game, but we were able to adjust well and contained them. ~~The defensive front played very well and the secondary covered well. Their coverage enabled our rush to get to the quarterback and forced him to scramble. It is a happy day for us. We are extremely happy for our players. We were pleased that Mark Johnson returned to quarterback. But, we were pleased with the job Bob Albright and Hal Spears did for us during the year. We have several players that are injured. The whole team is happy for Mark. He had worked so hard to get ready to play Alabama.~~

Quotes from Mark Johnson-- "It feels super to be back in the lineup at quarterback.

I have been working all week at quarterback and Coach McGee told me Wednesday or Thursday that I would probably see some action. Playing tailback and fullback helped my morale because I felt I was making a contribution to the team.

QUOTES FROM COACH HOOTIE INGRAM OF CLEMSON

I thought we move the ball well at times. We had a more diversified attack, but when you have that many penalties, you're going to get beat.

We felt like we had a good game plan, and it looked like we were about ready to put it over several times, but a penalty seemed to catch up with us each time. If we hadn't gotten some of those penalties, we were close enough in there several times where Eddie (Seigler) would have had some closer shots.

We fumbled the ball early and gave them good field position. Twice we stopped them after a fumble, but they put it in on the third try. We had enough offense to win a 7-0 ball game.

Both teams scraped well. Both were playing under the same circumstances. Mark Johnson playing at quarterback for the first time this year gave them a shot in the arm. It certainly gave them a lift, but we kinda thought he would play. Duke has a big, strong team. They have played some good opponents.

We'll just have to work even harder ~~harder~~ next week. Virginia has a fine ball club, some outstanding players and certainly more speed than any of the teams with the exception of Oklahoma that we have played
