COACH'S QUOTES:

Coach Lou Holtz, N.C. State: "We played an excellent first half, both offensively~~xxx~~ and defensively. The second half, we just didn't get continuity. This win gives us a 7-3-1 season, and we're very happy. We're fortunate to be going to a bowl, and I think the bowl is fortunate to get us.

"Our running backs today were excellent and the offensive line did a superb job. As for defense, I thought Bryan Wall, Jim Nelson and Brian Krueger were outstanding. We had trouble stopping Clemson in the second half, but that's a tribute to them. Everybody was wondering how we would bounce back after last week's defeat, ~~x~~ even myself. Now we know. This season has been worth the effort that we've all put into it, both the players and the coaches. But it is the players who hold the key to winning, and they did a great job this season. We had three objectives before the season started: 1) To win the ACC title, 2) To finish in the Top Twenty, and 3) To go to a Bowl. One out of three isn't bad and we still could get one of the others.

"How do I feel? Just great, I couldn't be happier."

Coach Holtz will fly to Columbia, S.C. tonight to scout Florida~~x~~ State, the Wolfpack's Peach Bowl opponent.

The game ball was awarded to coach Al Michaels.

Coach Hootie Ingram, Clemson: First of all, I would like to congratulate Coach Lou Holtz and his N. C. State team for a fine football season and I wish them well in the Peach Bowl.

As far as our team is concerned today, I was pleased with our offensive team during the entire game. I thought they moved the ball

I feel altogether different this Saturday than I did last Saturday (after losing 31-9 to Maryland). Our boys showed something in the second half, especially on defense. You don't go out and coach them how to play when you're down 35-3 at halftime. But I'm sure State would have like to have scored 35 more in the second half. But our defense bowed its neck and the adjustment we made in defense at halftime stopped just about everything they tried to do. In the second half we played like a Clemson team is supposed to play. I think they gave a superior effort.

I feel good going into the last game of the season. I think our team will be up to the task for the type game that we'll have to play.

COACH'S QUOTES:

Coach Lou Holtz, N.C. State: "We played an excellent first half, both offensively~~xxx~~ and defensively. The second half, we just didn't get continuity. This win gives us a 7-3-1 season, and we're very happy. We're fortunate to be going to a bowl, and I think the bowl is fortunate to get us.

"Our running backs today were excellent and the offensive line did a superb job. As for defense, I thought Bryan Wall, Jim Nelson and Brian Krueger were outstanding. We had trouble stopping Clemson in the second half, but that's a tribute to them. Everybody was wondering how we would bounce back after last week's defeat, ~~x~~ even myself. Now we know. This season has been worth the effort that we've all put into it, both the players and the coaches. But it is the players who hold the key to winning, and they did a great job this season. We had three objectives before the season started: 1) To win the ACC title, 2) To finish in the Top Twenty, and 3) To go to a Bowl. One out of three isn't bad and we still could get one of the others.

"How do I feel? Just great, I couldn't be happier."

Coach Holtz will fly to Columbia, S.C. tonight to scout Florida State, the Wolfpack's Peach Bowl opponent.

The game ball was awarded to coach Al Michaels.

Coach Hootie Ingram, Clemson: First of all, I would like to congratulate Coach Lou Holtz and his N. C. State team for a fine football season and I wish them well in the Peach Bowl.

As far as our team is concerned today, I was pleased with our offensive team during the entire game. I thought they moved the ball well most of the afternoon.

I feel altogether different this Saturday than I did last Saturday (after losing 31-9 to Maryland). Our boys showed something in the second half, especially on defense. You don't go out and coach them how to play when you're down 35-3 at halftime. But I'm sure State would have like to have scored 35 more in the second half. But our defense bowed its neck and the adjustment ~~wex~~ made in defense at halftime stopped just about everything they tried to do. In the second half we played like a Clemson team is supposed to play. I think they gave a superior effort.

I feel good going into the last game of the season. I think our team will be up to the task for the type game that we'll have to play.
