QUOTES FROM BOBBY ROSS

"They had a tough defense. We never ~~got~~ got the field position we were looking for. (On two-point conversion) We work on it seven minutes each day in practice and never fumble. We just lost our poise. We're a young team that will gain poise as the season progresses and hopefully eliminate our fumbling.

(Starting running back Billy Paine sustained a hip pointer and missed the second half, and quarterback Gene Dotson had to be used some at fullback) We planned to use Gene only on special plays at running back. Our effort and aggressiveness were super. (On late fumble recovery deep in Clemson territory and ~~subsequent~~ ensuing losses on offense). We were trying to run plays that ~~wouldn't~~ wouldn't lose yardage and wanting to get a field goal at least."

QUOTES FROM RED PARKER

"I'm so relieved to get this game over with. Never so glad to get a game over with in my life. Wish we had played better offensively. We played good at times, but there were so many bad plays.

"I thought our defense played super. Can't say enough about the big plays our defense made. Our kicking game was a ~~giving~~ big disappointment, but the kicking can and will be adjusted. Returns weren't good...the kicking wasn't good.

"I thought the Citadel kids played beautiful. I tell you the honest truth ... I was thrilled for them. Hope you don't misunderstand at what I'm saying.

I was disappointed in our passing game in the first half, but the second half we came out and completed a couple and then dropped.

Don't think either one of our quarterbacks had a good day. I don't mean that as criticism. I think both of them ~~will~~ ^{will} ~~and~~ ^{must} ~~will~~ play. I don't know what our best backfield combination is. We'll just have to get the films.
