POST GAME STATEMENTS BY THE COACHES

BY COACH BILL FULCHER OF GEORGIA TECH

"Coaching is one heck of a way to make a living!

"If there ever was a must game, this was it. I'm proud of our football team, they hung in there all the way and made the important plays when we needed them.

"It was a typical Georgia Tech-Clemson contest, hard fought all the way. I thought we had a chance to make them fold when we got up by ten points but they kept coming back. This is the best Clemson team I've ever seen. I was happy to hear that final whistle.

"I was impressed with the Clemson offense, especially the running of Washington, the running and the ball handling of Pengitore.

"Each week we seem to find more unknown players. ... Like defensive back Jimmy Kroll and defensive end Jeff Urazyk today. And I certainly was 100 percent in agreement with the team when they voted the game ball to Cleo Johnson.

"It's always good to win .... now to get ready for Army. It could be another cliff hanger the way they can throw and catch the ball. "

BY COACH RED PARKER OF CLEMSON

"We've improved a lot, but we deserve a little better fate than we're getting. I wouldn't ask a team to put out any more than they're doing. They're putting it on the line for us. They're working so hard.

(Asked about Clemson injuries, Parker said that Callicutt had a hip pointer and might miss a couple of weeks and that Ricky Brown had a knee injury and might be lost for the season, although that's not for sure right now)

~~Washington is getting better every week. I'm glad to see him get out of service.~~ "Washington is getting better every week. I'm glad to see him get out of service.

"I thought we were going to tie it on the last play of the game. We already had our two point play to go in. More importantly, our team thought they could tie the game. Bennie (Cunningham) got in the wrong formation and got tied up inside, but we were going for him in the end zone.

"I'm satisfied with the effort were are making and that our players have got their hearts in the right places. "

Other observations: I thought it was a well officiated game

(After seeing the statistics--They didn't have a turnover-- that's the difference)
