TEXAS A&M DRESSING ROOM

COACH EMORY BELLARD—"We had to overcome some early mistakes before we ever got rolling. Finally, we began eliminating some of those mistakes and I thought in the second half the offensive line blocked well and the backs ran hard. The defense played well except on the long TD drive that Clemson made in the fourth period.

HB BUBBA BEAN—"I had no idea I had so many yards (204). I didn't know I was even over 100. But, the lineman and other ~~backs~~ backs blocked so well that it was easy to run.

LB ED SIMONINI—"We knew that Clemson had some quick, fast backs and I think we shut down their outside game for the most part and made them run inside and I believe that was important in our win. Their backs were quick, however."

HB RONNIE HUBBY—"This was the most I've played this year, most since the Texas game of last year. The blocking was just great."

OG BILLY LEMONS (Freshman starting his second straight game) "I ~~gm~~ felt more at ease this week. Clemson may have been a little quicker than Boston College but I ~~know~~ knew more about what I was supposed to do against Clemson."

--30--

COACH RED PARKER

We got beat by a team that just out blocked and out tackled us. They were so ~~bxx~~ big we couldn't get anything done offensively or defensively. I thought they completely whipped us.

The day of the game -- this day -- is the best team we've played. They were

We couldn't get anything going offensively. We were mis-reading a lot. We had a ~~xxxx~~ real bad day reading our options. I didn't think our backs ran good at all. Our backs running ~~xxxx~~ compared with their backs running was as much difference as night and day.

I think we did a great job on Roaches. I didn't think we'd ever hold him like we did. But those other guys with all that speed. Man they're something.

~~xxxxxxx~~ Don't sell that team short.
