COACH MILLS: "No contest. From beginning to end it was Clemson all the way. We didn't stop anybody on defense. The offense didn't look great but the defense didn't stop anybody. Clemson was tougher than us, possibly better athletes, and probably outcoached us. Clemson's a good offensive team. I won't compare them to anybody though. We're past the inspiration stage. When you lose seven straight, you're past inspiration."

COACH PARKER: This won't go down as one of our artistic successes. But we did several things out there we wanted to. Several times it looked like a Chinese fire drill out there, but our defense I thought played real well. They broke a few on us up through there, but we might have been playing with some of those little do-dads during that time.

I think our team has improved a whole bunch. But we have not reached the level or plateau that I'm looking for. But I can say truthfully that I've never coached a team that has improved as much as this one has.

Parker said that on Sanders' long run was to the weak side with a weak side cut. Sanders had the best day of his career, gaining 136 yards. His previous high was 118 yards against The Citadel last year.

Clemson dressed 86 players and played 81. The only ones who didn't play are the ones being red shirted.

Rut Livingston, freshman quarterback from Hendersonville, N. C., injured his knee on one of the kickoffs and will be operated on Sunday. ~~It~~ This is the fifth Clemson player to be lost for the year--Jimmy Williamson, Ricky Brown, Marion Reeves, and Livingston to knees and Tim Blackwelder with a broken arm.
