END OF THE GAME
Maryland 28
Clemson 13

Jerry Claiborne: (Benny) Cunningham is a big strong football player. We worked on stopping him all week and we hit him in the backfield several times and could not stop him. We knew they went to him when it was needed.

Clemson did good job with their offense in the second half. We may have been too conservative in second half with 28-7 lead. We were a little conservative on defense also playing our straight defense.

I felt our kicking game was excellent although we did not get the returns.

Carter ran super on the early run and ran well all day. We started Ben Kinard because we felt the sweep and option would go and Ben does that well. Clemson did good job adjusting in second half.

Alan Bloomingdale has really come along as a blocker. We planned to run him more today but the sweeps were going well.

The pass to Bungori (Dan) we felt would go. It was a bootleg called by Coach Eisaman (Jerry) from the press box. We also felt the quick screen would keep the defense honest. There were some pretty good licks passed out there today.

on bowl: I feel we deserve a bowl bid and hope we get one. The squad wants to go to a bowl and they have said so.

DOCTOR STAN LAVINE: David Visaggion has a knee injury (right knee) and will have a operation this week.

The team (via Bart Purvis) presented the game ball to Coach Jake Hallum (offensive line)

COACH FRED PARKER:

How way a man could be any prouder than I am with these guys of mine. I don't mean to cry or sob, but it was just one of those days when the break didn't come our way.

This game had more plays than any this year where six more inches would have turned something that turned out bad into something good. I bet the movies will show a dozen plays like this

Ken (Pengitore) called a fine game, but there were some plays which we called at the line of scrimmage that some of our receivers didn't hear. On that first intercept, Lanzendoen was wide open and the ball sailed on Kenny. On the second one, our receiver didn't hear the play because of the noise and ran the wrong route. It looked like it was Kenny's fault, but it wasn't.

But we ~~deserved~~ deserved a whole bunch better fate than we got today. I don't mean to take anything away from Maryland because they have a fine team, and Jerry has done a fine job with them.

I think the two big turning points were when our receiver did not hear the play on that intercept, and when Bennie missed the first down by inches on that end around

That last TD they called back was it. We could have gone for the onside kick. You just don't know what's going to happen. Man!
