COACHES QUOTES:

Paul Dietzel, South Carolina: "We couldn't stop making mistakes. Those turnovers were very costly, but we kept coming back. That's the mark of a good football team, especially against a team as charged up as Clemson was. These games boil down to one thing. They aren't coaches against coaches, but they are teams against teams and the teams deserve the credit. This victory belongs to our football team; not to anyone else. This has been a super team to coach. It is the most unselfish bunch of players I've ever had. They hung together through injury and adversity. Good things happen when you believe. In Friday's practice, Grantz appeared just about well. However, when you don't play for a couple of weeks you get out of shape and it was hot out there today. I expected him to give out, but he hung in there and kept going. He had a great day, and we had a great team effort. Now, we have to wait to find out about the Peach Bowl. If Georgia Tech beats or ties Georgia, we will be the host team."

Red Parker, South Carolina: "It was a case of not being able to contain Grantz when we had to end the fumble. I don't mean to fault Ken Cullitt, but we were ahead and had the momentum. We had just stopped them and had a second and five.

"Kenny (Pengitore) has had a neck a neck injury since the North Carolina game and this has drastically affected his throwing. He was not able to get his arm above his head -- he just didn't have that zip.

"But the real story of the game was when we failed to hit the passes when we had the opportunity. A big play of the game was when we failed to hit Gordy (Bengel) and there was a whole bunch of yards there.

"Both teams had a goodkicking game, but ~~the~~ our failure to get a play off at the end of the first half and the fumble on the inside counter were big plays for us.

"But the individual ability of Jeff G^{...}antz was about decisive as you could get. I don't believe I've ever seen as fine an option quarterback. He's a superb athlete -- a great athlete."
