## COACHES QUOTES

### GEORGIA COACH VINCE DOOLEY

"It was a defensive struggle in every sense of the word. I didn't think we would ever get anything going offensively. John Lastinger became more relaxed in the second half as he grew up and became a quarterback. He threw some fine balls in the second half.

"The Clemson defense is tremendous, especially in the front line. If we had not been able to throw I don't think we would have gained much yardage. But the big credit must go to our defense. This was a big game and time after time their great quarterback, Homer Jordan, took them down the field. But we must credit our defense with making some great plays. The linebackers played well and the secondary also had a fine game.

"I must comment on our kicking game because that is what actually won the game. We blocked a punt for a touchdown and Kevin Butler's two field goals were all our scoring. We played good defense and had enough offense to get two field goals.

### ON HERSCHEL WALKER PLAYING

"We talked about this plan some during the week. In the event the doctors assured us that the risk was at a minimum we would possible use him in the first half mainly as a decoy. At halftime the doctors said they thought he was okay and the risk still would be minimal so we decided to let him run the ball a few times in the second half. However our main use was as a decoy."

### CLEMSON COACH DANNY FORD

"First of all I would like to congratulate Georgia. They did one heck of a job all night. We made way to many mistakes and that hurt us late in the game. We played well defensively most of the night.

"We gave away the blocked punt. It was just a case of missed assignments. We can coach that out of them though. We have to go back and look at our gameplan and make some corrections. We have got to get better and better each week. We need to work more on execution--we just didn't seem to click."

### ON NOT KICKING A FIELD GOAL LATE IN THE GAME

"We figured that our defense was playing well enough to back them up. We were going to try and get a high punt and get them deep in their territory and let them make the mistakes. It just didn't happen though.

"We are not out yet. We just have to go back and work hard to improve each week."
