COACHES QUOTES - GEORGIA-CLEMSON

GEORGIA COACH VINCE DOOLEY

"I want to say first that despite the things that happened to us, the things that wnet against us during the game, we held on under the pæssure to win the game. It was exactly the reverse of last week when everything went right. I'm proud of our team after the test Clemson put us through--and it was a big test."

"Let's comgratulate Scott Woerner on his great day. He had the early punt return for a score and the long interception return to set up the other early touchdow n."

"I think that in the first half, it wasn't that we had no offense, we just didn't have the ball much--only five minutes in the entire first half. But I must commend the Clemson offense--they picked on our defense well mixing up their plays. They had a great game plan. But in the second half, we were able to move the ball some on a very fine Clemson defense. We had good field position for the most part. But wehad the unfortuante pass interference penalty late and also when Broadway dropped the snap on the punt. But we got the interceptin and let's not forget to salute Herschel Walker again this week for getting the tough yardage deep in our terribory to ice the game."

"Clemson using two quarterbacks probably did give them a good change of pace. That's one of the advantages of using two quarterbacks--when you get used to one, they change and it changes the rhythm."

CLEMSON INJURY REPORT--James Robinson Okay; Jeff McCall, bruised shoulder; David Sims, hyper extended knee -- nothing operative

COACH DANNY FORD: We improved 200 per cent over last week. I think our guys played their pants off. But we gave 'em too many big plays. That comes from inexperience and coaching. You can't spot a team of Georgia's caliber with 14 points. But I do not think I've ever been invovled in a game where we were out of it and get back in it, get out of it and get back in it, again and again.

We are going to work next week on our goal line offense. We should have helped them more down there and didn't. But we saw a lot of thing out there that will help us on down the road. I'm sorry I couldn't help them any more than I did. Their of-
ense didn't have but 10 plays in the first half, but they got 14 points.

Georgia took it to us inthe secondhalf. The first five minutes of the second half are so important.

In the first half Clemson was its own worst enemy. We did everything that we had to do. I'm going to hate to go into that meeting Sunday afternoon and try to expain to them how they lost. But Georgia is a good football team, well coached and they played a heads up game. We just let them off the hook, but we'll learn from it. Clemson beat Clemson today.
