

COACH BOB WATERS-- WESTERN CAROLINA

"We fought 'em...for the most part we did our job today. Probably that blocked punt put a different view on the entire game."

"Against a team like Clemson you've got to make every play count...we did that for the most part in the first half except for a few mistakes...a couple of dropped passes. We were emotional, but maybe a little tight at first. I thought we'd be tired in the second half, but we came out just as emotional."

"Our kids fought hard and really played with Clemson. Maybe the only time was the 99 yard drive...that was the only time they dominated us, and that ~~drive~~ drive was a real key for them."

"Our defense played real well...we hit very hard...and we can do this every game if we just scrap hard like we did today."

"Our offense was working reasonable well in the first half but we were in no position (behind 10-0) to play conservative so we tried those reverses. We used the play last year...this was the first time this season we've used it...it worked well for us."

David Mashburn played well...we went with Mixon because we saw we were getting time to throw and ~~xxxxxxx~~Ronnie is a better drop-back passer. Really, all our kids played well...they played their heart out."

"If we can play and scrap like we did today every game we can be a good team.. I'm convinced we can be a good team...if we play hard like we played today we could win the Southern Conference...but if we don't get that effort we won't beat anyone."

"We went for the 4-] play to keep the momentum...we had it and wanted to keep it."

COACH DANNY FORD OF CLEMSON--

We won and that's what counts and what we went out there to do. We have some things we're still doing wrong, but we'll work on them again this week and try and get a little bit better next week.

Western Carolina had a good game plan. We knew they would and we tried to tell our players that. For some reason, we had a hard time getting ready to play. We didn't have great intensity out there. I hoped they learned something from that.

They are a well coached team and they picked at us pretty good. We did some things wrong early and they took advantage of it. We should have some more points in the first half, but that is to Western Carolina's credit. Gaillard got hit pretty good when he caught that ball.

I'm sure we had some people play awfully well. But the offensive line has got to get a little stronger and the defense wasn't getting to the passer like it should. We missed Jeff Davis, but he got hurt Monday and we didn't want to take a chance. I'm sure he would have gone out there and hobbled around if we had asked him to, but we didn't play him. But we didn't have an excellent practice this week. We had a hard time concentrating.

GAME NOTES

The 73-yard touchdown drive scored by the Catamounts was the longest touchdown drive given up by the Tigers this season. Except for the 3-yard touchdown drive that Georgia scored last week following a 98-yard ~~run~~ interception, the drive is the only one given up by the Tigers.

The 55-yard pass reception by Harp was double the longest previous play given up by the Clemson defense. Also, his TD reception was the first ~~to~~ given up by the Tigers this year. The Tigers only ~~gave~~ gave up three in the regular season last year.

Gerald Harp's TD catch was his 25th career touchdown catch. He is first among active ~~ply~~ players in college football in that department.

After the first series, Jeff Davis and Eddie Geathers were both injured. Davis came in for two plays ~~in~~ in the third quarter, but other than that neither one played the rest of the game.

The ~~run~~ 27-yard run by ~~the~~ WCU quarterback David Mashburn was the longest run given up by the Tigers this season.

~~With the exception of~~ The 34-yard run by Clemson's Edgar Pickett was the longest run from scrimmage of the Tigers this year.

The Tigers scored ~~the~~ their fourth and ~~the~~ fifth TD's of the season today. The 99-yd drive was the longest of the year.
