## COACHES QUOTES

### COACH JOHN MACROVIC - WAKE FOREST

On second on-side kickoff - "Normally the ball has to go 10 yards. If they touch it before it ~~goes~~ goes 10 yards which they did then its anybody's ball. They came after it and touched it and we recovered it. The first one went ten yards and we recovered it."

"I thought we played hard throughout the game. We had two interceptions tipped which they were able to run back and we had a blocked punt. When you have things like that happen, it makes a lot of difference. "

On the safety - "What made the difference?" "A lot of things made the difference. It wasn't just the safety. Their first field goal was 3 points - that made the difference."

"We never gave up. I think that's the best thing. We thought we could throw the ball with some consistency. When a quarterback has time like Jay did then often times the coverage breaks down."

"Most of our penalties had to do with our shifts. You make your breaks, you don't wait for them."

"In the fourth quarter we made our breaks. Things like penalties really hurt you."

"By and large, Swider and Ingram did a pretty good job on Tuttle. Everyone has had trouble with him - he's a great talent."

### COACH DANNY ~~FRANK~~ FORD -- CLEMSON

We'd been in good shape if we had stopped the game at the end of the third quarter. I should have waited a little longer to put in some of our youngsters. I went to the bench too early and that was almost a fatal mistake. But thank goodness, they bailed me out.

I feel a lot better today that I have the ~~h~~ past two Saturdays. We played well until I messed them up. The defense came up with some big plays today and when they can give it the offense, that makes it a lot easier. But we lost our concentration out there at times.

I think the two-point plays were the difference in the game. If they had made one of them, that would have put a different light on their thinking. We got a little better with out pass rush and the the defense did well early in the game. But we've got to stop making those silly mistakes. Wake didn't give up.

On the second on-sides kick, Ford said he didn't think the ball went the required 10 yards, but the official called it Wake's ball right away, so maybe our boy touched it first and Wake recovered it. Looks like it's hard for us to enjoy anything right now.

### RECORDS:

Carlos Bradley all time Wake Forest career tackles 396.

Jay Venuto all time WPU passing yardage 4,257 yards. Brakes Snead's mark of 4040.
