KICKOFF RETURNS: 9 Harrison

COACHES QUOTES

COACH DANNY FORD OF CLEMSON : I am very proud of our football team. We had a chance to win but didn't come up with the big play when we had to. But coming from 24-6 down to almost winning is a great compliment to our team. They could have folded when they were 18 points down, but didn't. We got behind, but didn't quit.

We had some people out there who shouldn't have been in there. But we were forced to put them in there when we got so many people hurt. Bullard did an outstanding job. He's been on the scout team.

I wish we could have gotten in there at the end because it's tough on the players to get that close and be turned back. But North Carolina has a great ball club. I said earlier in the week that they had the best ~~best~~ talent in the conference and they showed it today. There's no doubt that they have the best personnel in the ACC.

They whipped us up front early in the game and that proved to be the difference.

We moved the ball well at times. I thought McSwain ran well, except for his fumbles. But I can't be any prouder of our players the way they came back and almost pulled off a big win.

CLEMSON INJURY REPORT: Terry Kinard has a broken upper arm; Perry Tuttle has a rib injury, the extent is not known at this time; Eddie Geathers has a sprained knee. It is hoped that surgery will not be necessary. Further examination will determine this. Bill Smith had an ankle problem, but came back and played.

COACH DICK CRUM OF NORTH CAROLINA: "At the end we just made the big plays defensively when we had to have them. They had all the momentum. But, our kids believed they could stop them. Overall, we didn't ~~play~~ play well defensively, but we showed a lot of character and courage in the goal line stand.

We wanted to run straight at them. We felt it was better to do that than run away from them because of their great pursuit. Defensively, we just were not crisp or sharp. We were just lethargic. Coming off last week and coming in here... well, winning was very important for us.

Our kicking game hurt us with the two fumbled punts. But, give Clemson credit. They came back strong. Homer Jordan is a heckuva quarterback. He's what makes them go and he showed that today.

Kelvin and Amos gave us good running. Kelvin turned his ankle in the first half and that probably kept him from ~~scoring~~ scoring on his long run in the third quarter. Lawrence Taylor was... well, he was great just like he's been all year. He makes big plays like that every week."
