Jim Carlen, South Carolina: "I congratulate ~~Clasun~~ Clemson and Coach Ford. They didn't make the mistakes they've been making all year. They were very well prepared by Coach Ford and his staff."

"I lost this game more than anyone else. I should have continued running the sweep; ~~xxxx~~ they couldn't stop it. "

"We passed and held the ball a little too long at the last. We hung the ball on the first interception, but the blame belongs on my shoulders. That first interception was definitely the biggest play of the game."

"We still have had a great season. The kids played hard and you can't fault them. "

"We still have to get ready to play in the Gator Bowl. We'll take ten days off and then get back to work."

Coach Danny Ford of Clemson: I am very proud of our players. They played ~~haze~~ hurt and we had as many as eight players who could have gone down in the first 12 plays, but we only lost one during the game. We're just fortunate that the rest of them was able to play it out.

The players did a great job. They probably have never won a bigger game in their careers here at Clemson. I'm very proud of the seniors. They were able to beat South Carolina three out of four years and that is ~~xxxxxxx~~ something they will remember for a long time.

Willie Underwood went out in great style. He's been starting for us for four years and he certainly saved his best performance til last. It was Underwood and Jeff Davis who suggested the orange pants about six weeks ago. We got them from a place in Alabama. (Russell-Southern).

I've said all year long that the sun was going to shine on this team some-time during the year and this was the last chance it had. It was by far our best game of the year and a most satisfying win for the players.

The ~~xxxxx~~ rumors this year have been very disturbing, and the bad thing about it, it been mostly our people who has been spreading them. I hope this will put an end to all of them.

This is the most fun we've had in a long time.
