COACHES QUOTES

BILL CURRY, GEORGIA TECH

"We just got whipped by a very good football team. Whatever problems they had in the past, they solved today. It looked like we were going to get back in the game there in the second quarter. But then we had the missed field goal and in the third quarter they really took it to us."

"I think Clemson is the best team we've played. Certainly, they were today. They are such dominating people on defense and they come at you so many ways on offense that we just couldn't stop them or sustain anything all day."

ON DEWBERRY: "John did some good things today and he did some things which showed that he was still rusty. He made a great adjustment on the touchdown run. That was not a called play. It was an adjustment he made and he ran away from some folks."

"The only good things that I saw from this game was that we continued to fight. At the end, Darrell Gast, John Davis and Cory Collier played well when the game was out of reach."

ON WHO MIGHT REPLACE ROGERS IF HE IS SERIOUSLY INJURED: "We'll just have to look at whoever practices well throughout next week."

NOTE: Stu Rogers, Tech's starting quarterback, suffered an undetermined knee injury in the first quarter. It is possible the knee injury is serious. He will be X-Rayed this evening and examined.

COACH DANNY FORD, CLEMSON

The defensive team played very good today and gave our offensive team some good turnovers with good field position. And this put us in good shape in the first half. I thought our offensive team looked good on several long drives.

The only thing that we looked poorly in was penalties. And that is one thing that can be corrected. You just can't win everytime with those kind of penalties because we are not a good team with a first and 15 or a first and 25. The kicking game was good again and that is just as important as a completed pass or a good tackle.

The offensive line came off the ball real well and that allowed Kenny Flowers and the offensive Stacey Driver to make some good runs. We missed Kevin Mack after the first quarter, Stacey Driver but his injury (sprained knee) is not serious. Jim Riggs got banged up a little bit, his injury but we don't know the extent of his injuries right now. but we don't

I'm happy we have this open date. It ~~xxx~~ comes at a good time and will give us time to get the injured back with us. Virginia is doing some good things (4-0) and we have them next. We are going to work the first three days of next week, then give them the week end. We've been here since the first of August and a little time off will help out.

Georgia Tech played hard, but they have a very young team. I don't think they have but seven or eight seniors. I hope their quarterback is not hurt bad. We hate to see anybody on either team go down. Lavette is a very good back and he ~~xxx~~ can hurt you if you let him get much past the line of scrimmage.
