COACHES QUOTES

TOM REED, N.C. State: "No question about it, it was a heart-breaking loss for us. It hurts. No matter how difficult the situation, we came back. We played hard. I'm afraid, though, we lost (Nelson) Jones (shoulder separation) and (Raymond) Phillips (neck injury).

"We made mistakes. But the underlying tone was that we came top play, reached a plateau that we'd been striving for. We've got to build on that and keep ~~it~~ coming back.

"(Mitch) Rushing, (Todd) Blackwell and (Andy) Hendel played well. It was a total effort. That's what we've been looking for. If we can play this way every week, we can be competitive."

Answer to Reed's feelings: "I don't want to express it/ Same as the players, I guess, extreme frustration. That's the beauty of the game. It tempers you, and it tests you."

Was tipped pass the turning point? "It ~~sure didn't help~~. I thought it was an interception for us. Just one inch. The game is a matter of inches. The words just aren't there to express a loss like this. You might be able to write them, but I can't say th But we are maturing and coming around. That's what we've been striving and working for."

DANNY FORD OF CLEMSON: N. C., State played~~a~~ awfully hard against ~~us~~. They had a good game plan, they took the running away from us early, and we got whipped up front some. But I think they are a little short on depth, and possibly they began to wear down some in the end. But State has never played us easy.

We made history today by proving we can play football in the ~~second and~~ third and fourth quarters. They have had me fooled all year long. But I ~~don't~~ think that our offensive played as well as they have in~~the~~ the past and I hate to say that without looking at the film, but that's my first impression.

I think there were big breaks on both sides, and they took what we gave them very well. Possibly each one should have had a touchdown taken away from them. We had their man well covered on their score and their man tipped our 75-yard touchdown. Either one of those plays could have been intercepted, I believe, but both receivers made a heck of a play out of it.

First time we had ~~been~~ behind all year long (at halftime), but we held our poise and good things began to happen for us. I think our defense played real well. They hurt us on a couple of draw ~~plays~~ plays and you aren't going to stop a runner like McIntosh all day long. They caught us in the wrong ~~coverage~~ coverage on~~the~~ the blitz.

~~We're~~ We're more ~~pr~~ proud of this victory than any this year because we had to ~~come~~ come from behind to win. We had a good week of practice and I think we're a ~~little~~ little bit better now.
