University of South Carolina Player Quotes

USC linebacker Carl Hill -- "Before we got in the huddle (after USC scoring go-ahead TD) we said that we had been playing a great second half and that we were not going to let them score with only 54 seconds to play. We gave the seniors a good last win on the road. (What coaches said to them at halftime) -- "they were running the same plays that we were practicing on all week. We didn't change much at halftime but the coaches gave us a pep talk.

USC defensive lineman Fitzgerald Davis -- "We found out that the best defense is to pressure the quarterback and we put a four man rush on them and decided to take them head up. We put more pressure on the quarterback in the final 54 seconds. We knew we had them when they had third and long.

USC offensive lineman Carl Womble -- "We waited on the big break and finally got it. We really came together today as a team. It was a total team effort. We had a lot of confidence going into the final drive. We knew last year we had the confidence going into the final drive and we didn't want a repeat this year."

USC center Tom Garner -- We had to double team Perry. I tell you, he's good when he wants to be good. (About an opponent in the Gator Bowl). -- It doesn't matter who we play. It'll be someone who wants a little piece of the Gamecocks. I tell you, I'm ready for a little rest. I heard that Coach Morrison will give us a week off. I don't know.

USC long snapper Tracy Evans -- "I wasn't nervous at all. I always have been dreaming of a situation where I would have to snap the winning field goal or extra point attempt. (About the final extra-point attempt) -- The first one they jumped offside and Scott missed it. I saw the referee said it was against Clemson and my heart stopped.

USC running back Quinton Lewis -- "We told ourselves (Before scoring go-ahead td) that the defense has been playing great during the second half and it was time to score. All the seniors really pulled together. The whole team really hung in there. We played the whole game really tough. It's a sweet victory.

USC placekicker Scott Hagler -- "Here's what happened. The referee blew the whistle while I was starting my approach, so I stopped, brought my head up and just kicked the ball anyway. I had no butterflies. Not really. THAT's what I live to do. My job is to put the ball through the goalposts.

COACHES QUOTES

COACH DANNY FORD OF CLEMSON: We're real proud of our seniors for the record they had at Clemson. I think they've shown a lot of class throughout thier careers at Clemson.

First of all, I want to congratulate South Carolina on its victory and wish them well in the Gator Bowl. When they had to have it, they did, and that's the mark of a good team who can come back when things go wrong.

Our team played ~~hm~~ hard. We don't doubt their desire. I thought we played well in the first half. But they got that safety and we had some penalties that hurt us. We lost the football game, but I'm still proud of this team, especially the seniors. They had an outstanding record.

Our problem seemed to be ~~bx~~ that we couldn't make the big play in the third and fourth quarters. We gave them the opportunity on that last extra point when we had 12 men on ~~thx they~~ the field or something. On that drive, they ~~ymxxx~~ just executed better and we just didn't stop them.

I can't say much more except that next Monday we're going to start getting ready for next season and we're looking for the underclassmen to move up and be our leaders.

South Carolina coach Joe Morrison Quotes:

This was just a great, great win and it really shows the character of our football team. Any win is a big ~~wxxx~~ win ~~bit~~ with all that orange in the stands today, it really means a lot. The character of this team has shown through all year long.

"I told our young men this was college football is all about and I felt this would be quite an experience. It was.

(His thoughts at halftime). "I thought if we kept plugging away and the defense hung in there and put pressure on Clemson, we would see what happened there at the end happen.

"Mike Hold did a great job today. He had a lot of pressure on him and he was able to scramble a bit. He completed some big passes. I told him this morning he would start. We started Mike (over Allen Mitchell) because we thought he was quicker and had the better arm.

(On going for TD rather than FG after penalty on Clemson just before halftime).

"I decided I wanted to go for it and told Coach (Frank) Sadler (~~xxx~~ offensive coordinator) to come up with a play. The trap was a great call.

(On Clemson's fourth down long pass near game's end). "My heart stopped on that one.

"I want to complement Coach Danny Ford and his program here and what they have done over the past few years. That makes it ~~xxxxx~~ an even greater win.

"I thought we could run on them and that was our game plan. The big thing is, our kids never quit."
