CLEMSON SCORING TOUCHDOWNS- HORNE (4, plunge; 8, run)
 FIELD GOAL- TURBEVILLE (45 yards)
 CONVERSIONS* Bussey 2.

Statement by Amen:

"Clemson has by far the best ball club we've played so far. They have a fine line and a group of very hard running backs. We haven't come along offensively. The early season promise we showed offensively has dwindled and we have an awful lot of work to do to iron out our mistakes."

Statement of Coach Frank Howard

I was pleased with the improvement of our defense, but we still need to work on our offense. We showed good punch in that last touchdown drive, but other than that, we sputtered on several occasions.

Charlie Horne played an awfully good game for us at halfback. This is the first time he has been with the first unit this year and he filled in very well for (Jim) Coleman.

Dick DeSimone, Earle Greene and Dick Marazza were probably the best in the line but all of my boys up front played a pretty good game. Against State last week I couldn't say much for our defense but the boys worked hard this week and looks like it paid off for us. Anyway, that word 'undefeated' looks good.
