QUOTES FROM THE COACHES

COACH MURRAY: I think that Clemson is the best team we have played this year. The best I can say after this game is that I'm glad the ~~team~~^{LUCK} was on our side. I'm satisfied with the way the game came out and that is about all. Clemson showed up strong everywhere, offense and defense. Clemson was great today.

COACH HOWARD: We made three mistakes today in the form of fumbles and you don't lose a ball to a team like Duke and get away with it. With the exception of those three things, I think our boys played a pretty good game. Duke has a fine ball club, and just like I told my boys at the first of the season, it was the best team we've looked at. I wish Coach Murray and his Duke team the best of luck from here on out.

George Dutrow--They were tough as you know what. That team is good. More fight than any other team we have played. They wanted to win badly.

Hal McElhaney--A hard hitting club. Hardest team we have played this year. Had hard luck on the goal line.

Buzz Guy--Best team we have played this year. All players were tough. Hayes was the best.

Phil Dupler--Hardest team we have played.

Dave Hurm--Hardest team we have played. Real good.
