South Carolina vs. Clemson

Post-game quote:

"What can you say except that it was a magnificent effort. I guess, the best in my three years here.

"We had confidence that we could win it when we went in at halftime. Our kids felt that they were in better shape than Clemson and could come out and do the job in the second half.

"A critical play? I'd say when we went for the first down on a fourth-and-one situation in the third quarter when we driving for the lead touch-down.

"Individual standouts? How can you pick an individual out of a game like that. They were all terrific.

"Bobby Bunch called a magnificent game. And the running of Hawkins, Dixon and Saunders was tremendous.

"It was a team that wouldn't be beaten. I think they showed the skeptics that we are a good football team."

STATEMENT BY COACH FRANK HOWARD OF CLEMSON

~~BRAY~~

They (South Carolina) were just ready to ~~pass pass~~ play and we weren't. They hit us with authority and we didn't respond. My boys just stood around most of the time and got hit. When you don't block and tackled, you can't expect to win many ball games.

I thought ~~in~~ Bunch and Saunders hurt us the most in the backfield, but Dixon and Hawkins were always there putting on the pressure. Hawkins made several gains that hurt us, but Bunch and ~~Sammy~~ Saunders did the most damage.

They didn't run anything that we hadn't prepared for, it was just a case of them wanting to win more than we did.

This loss is the best thing that happened to us. Now I think we'll come back and win the next five. My boys will bounce back. Their heads aren't down. We'll work next week and be ready for ~~mak~~ Wake Forest.

Post-game quote:

"What can you say except that it was a magnificent effort. I guess, the best in my three years here.

"We had confidence that we could win it when we went in at halftime. Our kids felt that they were in better shape than Clemson and could come out and do the job in the second half.

"A critical play? I'd say when we went for the first down on a fourth-and-one situation in the third quarter when we driving for the lead touchdown.

"Individual standouts? How can you pick an individual out of a game like that. They were all terrific.

"Bobby Bunch called a magnificent game. And the running of Hawkins, Dixon and Saunders was tremendous.

"It was a team that wouldn't be beaten. I think they showed the skeptics that we are a good football team."

STATEMENT BY COACH FRANK HOWARD OF CLEMSON

They (South Carolina) were just ready to ~~xxxx~~ ^{play} play and we weren't. They hit us with authority and we didn't respond. My boys just stood around most of the time and got hit. When you don't block and tackle, you can't expect to win many ball games.

I thought ~~in~~ Bunch and Saunders hurt us the most in the backfield, but Dixon and Hawkins were always there putting on the pressure. Hawkins made several gains that hurt us, but Bunch and ~~xxxxxx~~ Saunders did the most damage.

They didn't run anything that we hadn't prepared for, it was just a case of them wanting to win more than we did.

This loss is the best thing that happened to us. Now I think we'll come back and win the next five. My boys will bounce back. Their heads aren't down. We'll work next week and be ready for ~~xxxx~~ Wake Forest.
