STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I thought we looked pretty good most of the game. I was especially pleased with the way our defense there in the first half. I don't think they got too many yards. We moved the ball well on several drives and we got a break or two in there, but then, a couple ~~extra~~ went against us also.

I had rather not say anything about bowl invitations right now, but I'm sure this game didn't hurt us. Three (bowl committees) have been in touch with us, but what they are thinking, I don't know. We'll just have to wait and see what move they make.

Boston has a good team and their line I thought ~~played~~ proved tough in there sometimes in the first half. However, our line rushed their passes well all ~~after~~ afternoon and that held their completions down, especially in the first half

(NOTE ON INJURY OF HARVEY WHITE: White turned his right ankle again, but not as bad as in the Wake Forest game. Dr. Jud Hair, team physician, says there is nothing serious about the injury and that he sees no reason why White won't be able to play next week against Furman).

STATEMENT BY COACH MIKE HOLOVAK OF BOSTON COLLEGE

There's no doubt we lost to a real good Clemson team but there's just no excusing those penalties that continually set us back and helped Clemson so much. ... Don (Allard) just couldn't get started today - maybe if he was sharp and hitting those receivers early in the first half, things might have gone better for us ... I give a lot of credit to Frank Howard and the entire Clemson football team. I think our line played pretty well and give a lot of credit to little John (QB) Amabile injuries to BC players : QB Don Allard (fractured left collar bone--out of the finale with Holy Cross) ; QB Ross O'Hanley (concussion) ; Guard Frank Casey and Fullback Frank Robotti (wrenched knees-left) ; End Jim Cotter (possible shoulder separation) ; end Larry Eisenhauser (aggravated ankle injury).

STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I thought we looked pretty good most of the game. I was especially pleased with the way our defense there in the first half. I don't think they got too many yards. We moved the ball well on several drives and we got a break or two in there, but then, a couple a ~~runners~~ went against us also.

I had rather not say anything about bowl invitations right now, but I'm sure this game didn't hurt us. Three (bowl committees) have been in touch with us, but what they are thinking, I don't know. We'll just have to wait and see what move they make.

Boston has a good team and their line I thought ~~played~~ proved tough in there some-
times in the first half. However, our line rushed their passes well all ~~after~~ afternoon
and that held their completions down, especially in the first half

(NOTE ON INJURY OF HARVEY WHITE: White turned his right ankle again, but not as bad as in the Wake Forest game. Dr. Jud Hair, team physician, says there is nothing serious about the injury and that he sees no reason why White won't be able to play next week against Furman).

STATEMENT BY COACH MIKE HOLOVAK OF BOSTON COLLEGE

There's no doubt we lost to a real good Clemson team but there's just no excusing those penalties that continually set us back and helped Clemson so much. ... Don (Allard) just couldn't get started today - maybe if he was sharp and hitting those receivers early in the first half, things might have gone better for us ... I give a lot of credit to Frank Howard and the entire Clemson football team. I think our line played pretty well and give a lot of credit to little John (QB) Amabile injuries to BC players : QB Don Allard (fractured left collar bone--out of the finale with Holy Cross) ; QB Ross O'Hanley (concussion) ; Guard Frank Casey and Fullback Frank Robotti (wrenched knees-left); End Jim Cotter (possible shoulder separation) ; and Lerzy Eisenhauser (aggravated ankle injury).
