STATEMENT BY COACH FRANK HOWARD

I thought we played good and we played bad, but I still don't think we have played like we are capable of playing. However, we'll improve and we have a few days extra to get straightened out before the next game. (Clemson's next game is South Carolina Oct. 22).

I imagine that loss today by the Gamecocks to North Carolina will make 'em a little mad, and we'll have to have a supreme effort against them.

After watching the movies on the State-Carolina game, our staff felt that State had the better team, but they didn't show as much strength against us as I thought they would.

State couldn't go up the middle and that hurt them some and I thought our ends looked a lot better today than last week. We had some fine individual performances at times today, but you really have to look at the movies to tell anything about a game. One thing that hurt State was Nelson (Arnold Nelson, fullback) getting hurt. I think he's a mighty fine fullback. (Nelson was hurt early in the first quarter and did not return to action).
