SOUTH CAROLINA VS. CLEMSON

Post-game statement by USC head coach Warren Giese:

"This was the best Clemson team we have faced in four years at South Carolina.

"Coach Howard and his staff did a wonderful job of preparing their team for the game. They had us well-defensed and their squad did a fine job of carrying out their assignments.

"We were never able to get our attack going, and when we appeared to be getting something started fumbles would ~~stop~~ kill our chances.

"Clemson's quarterbacks did a magnificent job of passing the ball, and, of course, that was one of the big factors.

had control of the

"I thought we ~~never~~ ~~lost~~ ~~control~~ ~~of~~ ~~the~~ football game until we gave the ball to them on a fumble around their 40-yard line late in the first quarter.

"I think that the inexperienced men that we had ~~replacing~~ to call on for a lot of action in replacing several injured players did a commendable job under the circumstances."

POST GAME STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I thought we had our defenses well set this year ~~for~~ for Carolina where we didn't last year. Some of these teams (that South Carolina has played this year) have not been playing the right defenses. I thought ours was adequate out there today.

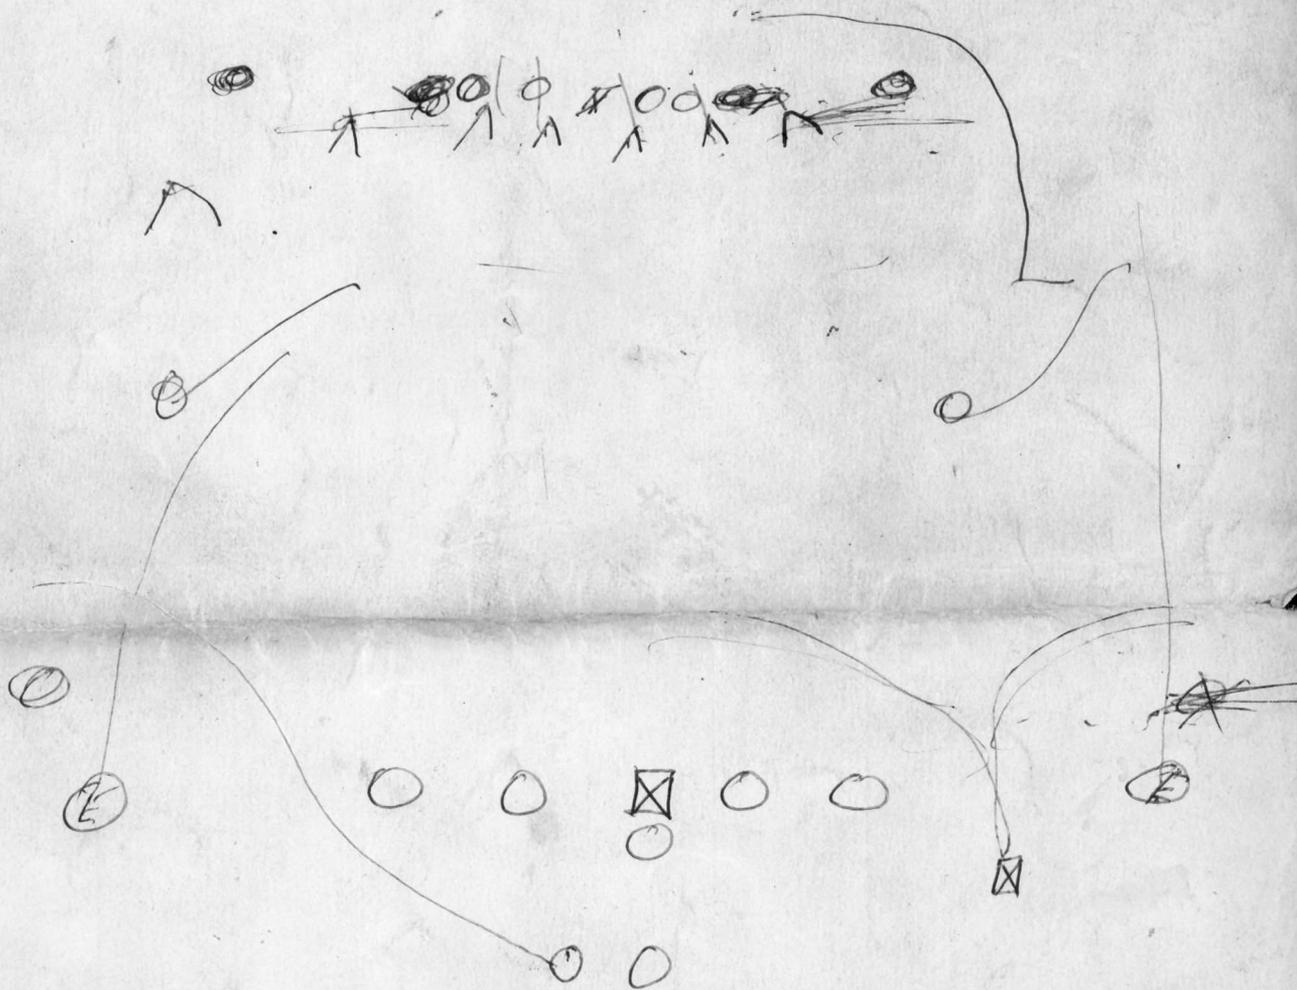

It would be hard to single out any single player on the team, but it was mighty pleasant on the sidelines seeing nearly everything they tried to pull stopped by our boys. Not many tackles were made by our secondary today, which is a big tribute to our line. We had a boys making good moves on practically every play.

I don't know if this was my greatest Big Thursday win, but it was a mighty satisfying one. It doesn't make any difference to me who we are playing or where it is just as long as we win. Anytime you win it's a mighty nice feeling.

We'll have to look at the movies to tell ~~exactly~~ exactly who played the best, but ~~it doesn't~~ it doesn't appear that we made too many mistakes.

SOUTH CAROLINA VS. CLEMSON

#9

Post-game statement by USC head coach Warren Giese:

"This was the best Clemson team we have faced in four years at South Carolina.

"Coach Howard and his staff did a wonderful job of preparing their team for the game. They had us well-defensed and their squad did a fine job of carrying out their assignments.

"We were never able to get our attack going, and when we appeared to be getting something started fumbles would ~~keep~~ kill our chances.

"Clemson's quarterbacks did a magnificent job of passing the ball, and, of course, that was one of the big factors.

"I thought we ~~xxxxxxxxxxxxxxxxxxxx~~ **had control of the** football game until we gave the ball to them on a fumble around their 40-yard line late in the first quarter.

"I think that the inexperienced men that we had ~~replacing~~ to call on for a lot of action in replacing several injured players did a commendable job under the circumstances."

POST GAME STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I thought we had our defenses well set this year ~~for~~ for Carolina where we didn't last year. Some of these teams (that South Carolina has played this year) have not been playing the right defenses. I thought ours was adequate out there today.

It would be hard to single out any single player on the team, but it was mighty pleasant on the sidelines seeing nearly everything they tried to pull stopped by our boys. Not many tackles were made by our secondary today, which is a big tribute to our line. We had a boys making good moves on practically every play.

I don't know if this was my greatest Big Thursday win, but it was a mighty satisfying one. It doesn't make any difference to me who we are playing or where it is just as long as we win. Anytime you win it's a mighty nice feeling.

We'll have to look at the movies to tell ~~exactly~~ exactly who played the best, but ~~it doesn't~~ it doesn't appear that we made too many mistakes.
