Quotes from Coach Billy Hildebrand:

"We scored for them." " I thought we had very good interior defense, but were mighty tired in the second half."

"We missed Allen. This substitution business is going to change because it takes too much book keeping."

"Moving Ball to fullback made our halfbacks short."

The Coach then summed up the game in one sentence, "It was a game of breaks."

Quotes from Coach Frank Howard:

I still ~~think~~<sup>don't</sup> think we looked too good, but the results came out all right and that's what counts.

We changed our ~~z~~ defense some this year over last and it ~~spaid~~ off. I don't want to tell you what it is because it will hurt us and them.

My second team did all right. They didn't look as good as I wanted but they were ~~z~~ effective. (Bill) McGuirt is going to be a good player. That pass he intercepted was a difficult one to cover.

I thought our defense did okay but that little change we made on the pass coverage helped out more than anything else.
