END OF GAME

CLEMSON 21 VIRGINIA 0 7

STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I think Virginia is getting better every week and they are a lot better than most people give credit. It looks like they are about ready to play ball in the ACC.

I'd like to have a better football team than I've got, but we are doing too many things bad. Like on these end runs on these keepers. We told our ends time and time again to watch that end coming in and blocking him and they either can't learn it or don't want to.

Asked about the lineup changes he made during the week, Howard said he didn't think Clemson would have won without them. He was referring to moving Bill McGuirt to full-back, ~~for~~ <sup>ELMO</sup> Lem to left half and Jahnnie Mac Goff to alternate quarterback.

I think we'll start playing next Saturday (against Maryland), and at least, I hope so. It's nice to be winning when you look so bad. We're 3-0 and a lot of 'em are 0-3.

Asked again about Virginia, Howard said he thought this was the best Virginia team Clemson had faced and that he thought that Virginia was better than Wake Forest in comparing Clemson's play against Virginia to how each played against Clemson.
