Coaches' Statements

COACH NUGENT: "This was a tremendous effort by the whole squad. Today's victory could be attributed to Dad's Day, and the many men we played. Our substitutes helped make the difference. We had a great quarterbacking performance by Dale Betty. Coach Howard certainly has a lot of talented players and are as loaded as any team I've seen. The punting of Don White was just tremendous, especially his long one at the end. This was his first game and his first punting efforts as he substituted for Gary Collins.

"Collins came off the bench and made several crucial catches.

"We found some weaknesses in the first half and exploited them. I am very proud of the whole squad and the entire organization. I would like to pay special tribute to Coach Satterfield, our chief scout, for this game, and to the rest of the coaches for this week's work. The great heart of this squad won the game."

NOTE: In the dressing room Coach Nugent stated he made a long speech before the game and a short one after the game. He addressed most of his post game talk to the dads.

MARYLAND BK VS CLEMSON
OCTOBER 15, 1960

STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I think this was probably our best game of the year but what that scoreboard says is what counts and it showed we were behind.

I've been wondering all year long if we had a good team and even though we improved some from last week, we didn't stop 'em when it counted.

Our end play improved, which had been one of our weak spots, but that pass play that beat us last year down at Clemson turned the trick again today. This boy Collins (end Gary) might have been hurt and couldn't punt, but his hands were in pretty good working condition.

Maryland showed a lot of determination and they certainly didn't look like a team that had lost three straight.

Coaches' Statements

COACH NUGENT: "This was a tremendous effort by the whole squad. Today's victory could be attributed to Dad's Day, and the many men we played. Our substitutes helped make the difference. We had a great quarterbacking performance by Dale Betty. Coach Howard certainly has a lot of talented players and are as loaded as any team I've seen. The punting of Don White was just tremendous, especially his long one at the end. This was his first game and his first punting efforts as he substituted for Gary Collins.

"Collins came off the bench and made several crucial catches.

"We found some weaknesses in the first half and exploited them. I am very proud of the whole squad and the entire organization. I would like to pay special tribute to Coach Satterfield, our chief scout, for this game, and to the rest of the coaches for this week's work. The great heart of this squad won the game."

NOTE: In the dressing room Coach Nugent stated he made a long speech before the game and a short one after the game. He addressed most of his post game talk to the dads.

MARYLAND XX VS CLEMSON
OCTOBER 15, 1960

STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I think this was probably our best game of the year but what that scoreboard says is what counts and it showed we were behind.

I've been wondering all year long if we had a good team and even though we improved some from last week, we didn't stop 'em when it counted.

Our end play improved, which had been one of our weak spots, but that pass play that beat us last year down at Clemson turned the trick again today. This boy Collins (end Gary) might have been hurt and couldn't punt, but his hands were in pretty good working condition.

Maryland showed a lot of determination and they certainly didn't look like a team that had lost three straight.
