STATEMENT BY COACH JIM HICKEY

Clemson played an awfully fine game. We were simply beaten by a better team.

We got along pretty well for awhile and then they simply blew us out of the stadium.

Rip Hawkins played his usual wonderful game for us. For Clemson Shingler was simply great.

We missed some fine oppourtunities early in the game and after that Clemson was too good for us, that's all.

STATEMENT BY COACH FRANK HOWARD

I thought our overall play against Vanderbilt was better than it was today, but that scoreboard ~~was~~ was in our favor today and guess we can forget about the mistakes for the time being.

Shingler played an awfully fine game and so did Anderson. actually, I thought Anderson was better on these rollouts than Shingler at times.

We won the ball game but I wish we have a group of boys that had a desire to play. I think we have the ~~best~~ finest offense ever conceived here at Clemson but we just aren't executing the plays correctly.

I thought we contained their wide stuff pretty good today but we aren't near as good as I'd like for us to be.

STATEMENT BY COACH JIM HICKEY

Clemson played an awfully fine game. We were simply beaten by a better team.

We got along pretty well for awhile and then they simply blew us out of the stadium.

Rip Hawkins played his usual wonderful game for us. For Clemson Shingler was simply great.

We missed some fine opportunities early in the game and after that Clemson was too good for us, that's all.

STATEMENT BY COACH FRANK HOWARD

I thought our overall play against Vanderbilt was better than it was today, but that scoreboard ~~was~~ was in our favor today and guess we can forget about the mistakes for the time being.

Shingler played an awfully fine game and so did Anderson. actually, I thought Anderson was better on those rollouts than Shingler at times.

† We won the ball game but I wish we have a group of boys that had a desire to play. I think we have the ~~best~~ finest offense ever conceived here at Clemson but we just aren't executing the plays correctly.

I thought we contained their wide stuff pretty good today but we aren't near as good as I'd like for us to be.
