STATEMENT BY COACH FRANK HOWARD OF CLEMSON

We just got outplayed. They had more hustle and desire than we did and that's the way it ended up like it did.

We had played three fine game and I was afraid we were in for a bad one and we were. I started getting the feeling Thursday that things weren't just right. The players did not have the zip they shoulda had and I started getting a little scared.

But Wake Forest has a good ball club. They beat us in the line. They got the charge on our line and we were just ~~ok~~ sitting still.

I still think we have a good ball club even with the record. When Howard was told that North Carolina had beaten Maryland, a Howard said "In this day and time any ~~xxxx~~ team can beat another one on any given day. It's funny how this game goes."

Asked if he thought Coach ~~W~~ Hildebrand's wife giving birth to a child last night had anything to do with the outcome Howard said it ~~may~~ probably gave them a little more pep.

I don't think any one play or any one player caused us to get beat. Like I said before, they just outplayed us in the line and that where you win or lose.

STATEMENT BY COACH BILLY HILDEBRAND OF WAKE FOREST

"This victory couldn't have come at a better time. It was a team victory and I just can't single out any individuals for special mention.

"I do want to give credit to Ray Malavasi (Wake Forest chief assistant). Ray has handled the defense all season, and he has done a tremendous job and I want him to get credit for it. In addition, he was the one who got the team ready this morning since I was in Winston-Salem for the birth of my son. I don't know what Ray told the boys, but he really got them ready.

"We only did a couple of different things. We split an end and also a back, but our pass plays were the same as we have used in previous games. Chuck Reiley (QB) did a great job in the selection of plays and running the attack.

"I have no idea why it is we always manage to play a good game at Clemson, but this one is the ~~x~~ sweetest of all.

STATEMENT BY COACH FRANK HOWARD OF CLEMSON

We just got outplayed. They had more hustle and desire than we did and that's the way it ended up like it did.

We had played three fine game and I was afraid we were in for a bad one and we were. I started getting the feeling Thursday that things weren't just right. The players did not have the zip they shoulda had and I started getting a little scared.

But Wake Forest has a good ball club. They beat us in the line. They got the charge on our line and we were just ~~ok~~ sitting still.

I still think we have a good ball club even with the record. When Howard was told that North Carolina had beaten Maryland, & Howard said "In this day and time any ~~kick~~ team can beat another one on any given day. It's funny how this game goes."

Asked if he thought Coach ~~W~~ Hildebrand's wife giving birth to a child last night had anything to do with the outcome Howard said it ~~may~~ probably gave them a little more pep.

I don't think any one play or any one player caused us to get beat. Like I said before, they just outplayed us in the line and that where you win or lose.
