STATEMENT BY COACH FRANK HOWARD OF CLEMSON

Well, Boys, it sure is good to win again. I don't think we played our best game today, but I'll take all the wins whether we play 'em bad or play 'em good.

"Tulane was about as strong as I thought they'd be." When asked why Tulane was getting good yardage on the draw play, HOWARD said we were trying to rush the passer and that leaves draws and screens open unless you get to the passer first.

Someone asked howard how he felt when Emerson went past him on a 67-yard touchdown run, he said, "he liked to have give me pneumonia."

He was also quizzed about the blocked punt of ~~was~~ Werntz, and Howard said that he ~~had~~ had his third team in at the time. "Now they haven't played too much this year, but the only way they're going to get ~~an~~ experience is to get in a ball game."

Howard was told that South Carolina had five scouts in the press box watching the game and he said: "They didn't see a thing that they haven't seen already this year, and the only trouble is that they don't ^(know) what time we're going to run what."

Howard said it ~~was~~ was hard to tell how much Clemson missed Jim Parker today, and he was asked about his changes of playing ~~was~~ next week. "I don't know, but I hope he's on his toes rarin' to go."

STATEMENT BY COACH FRANK HOWARD OF CLEMSON

Well, Boys, it sure is good to win again. I don't think we played our best game today, but I'll take all the wins whether we play 'em bad or play 'em good.

"Tulane was about as strong as I thought they'd be." When asked why Tulane was getting good yardage on the draw play, HOWARD said we were trying to rush the passer and that leaves draws and screens open unless you get to the passer first.

Someone asked howard how he felt when Emerson went past him on a 67-yard touchdown run, he said, "he liked to have give me pneumonia."

He was also quizzed about the blocked punt of ~~was~~ Werntz, and Howard said that he ~~had~~ had his third team in at the time. "Now they haven't played too much this year, but the only way they're going to get ~~an~~ experience is to get in a ball game."

Howard was told that South Carolina had five scouts in the press box watching the game and he said: "They didn't see a thing that they haven't seen already this year, and the only trouble is that they don't ^(know) what time we're going to run what."

Howard said it ~~was~~ was hard to tell how much Clemson missed Jim Parker today, and he was asked about his changes of playing ~~was~~ next week. "I don't know, but I hope he's on his toes rarin' to go."
