STATEMENT BY COACH FRANK HOWARD

Gentlemen, you saw two snake-bit teams out there today.

I tell you, ole Jim (Hickey) is one of the ^f finest persons in the game, and he has a good ball club, but he's just like us, he's had things go against him this year, and when you don't get a break or two here and there, you're out of luck.

Howard was asked where he had been hiding fullback Charlie Dumas all year. He explained that Dumas came back to school in September with a pulled leg muscle is just now rounding into shape.

(Note: Pat Crain received a broken hand against Auburn last Saturday and was held out of all scrimmage this ~~subsequent~~ past week. Dumas moved from the fourth to the third team, and had an outstanding day Tuesday afternoon in an offensive ¹ scrimmage. Dumas was promoted to the first team Wednesday)

Howard went on to emphasize that Dumas is the type of fullback ^{needed} ~~needed~~ for the type offense Clemson runs.

Howard ~~is~~ did not think that Clemson was consistent in its game against North Carolina, and that the Tigers looked a lot better against Auburn, but there's nothing like winning, *he said.*

Howard said he thought Clemson contained end Bob Lacey pretty good. "He completed a few, but actually none of them hurt too much."

Howard said he thought Clemson was fortunate to win.

"Quoting Coach Hickey:

"It was a tough ball game to lose. I felt we not only had a chance, but I had faith most until the very last we could come back. Then came the field goal and that took us right out of it. No, I won't go into the officiating that set Clemson in position. I have my feelings, but I have no public comments.

"Clemson has a fine line, especially in opening up for their backs on offense. I think our blocking this week showed great improvement. We hustled until the very end. I'm sorry we couldn't make it pay off in a win, but that's football, or so goes the saying.

"Ken Willard, our fullback, had his best day. Clemson was spreading their defense and this helped us to lay open a path. Ken, himself, deserves credit for his running. It's good and we expect much of him.

"That fumble on the second half kickoff cost us a touchdown. We were knocked out of the Maryland game for the same reason. These mistakes are costly. A couple of bad moves and a game changes its complexion completely.

"I think we played a good game, considering everything. I see our team doing better each week. Bob Lacey, our end, continued his fine offensive work, despite Clemson usually bringing two men on him. That one-handed pass he grabbed late in the game seems to be commonplace for him. He caught two in similar fashion against Wake Forest.

"Clemson uncovered a very effective fullback in Dumas. Frank's club, as xxxxxx says, plays hard football. I wish the Tigers luck the rest of the way. As for us, we aren't discouraged. We have three games remaining and we have full intentions of winning them all."

PASS INTERC.

STATEMENT BY COACH FRANK HOWARD

Gentlemen, you saw two snake-bit teams out there today.

I tell you, ole Jim (Hickey) is one of the ^f finest persons in the game, and he has a good ball club, but he's just like us, he's had things go against him this year, and when you don't get a break or two here and there, you're out of luck.

Howard was asked where he had been hiding fullback Charlie Dumas all year. He explained that Dumas came back to school in September with a pulled leg muscle is just now rounding into shape.

(Note: Pat Crain received a broken hand against Auburn last Saturday and was held out of all scrimmage this ~~past~~ past week. Dumas moved from the fourth to the third team, and had an outstanding day Tuesday afternoon in an offensive ¹ scrimmage. Dumas was promoted to the first team Wednesday)

Howard went on to emphasize that Dumas is the type of fullback ^{needed} ~~needed~~ for the type offense Clemson runs.

Howard ~~is~~ did not think that Clemson was consistent in its game against North Carolina, and that the Tigers looked a lot better against Auburn, but there's nothing like winning, *he said.*

Howard said he thought Clemson contained end Bob Lacey pretty good. "He completed a few, but actually none of them hurt too much."

Howard said he thought Clemson was fortunate to win.

"Quoting Coach Hickey:

"It was a tough ball game to lose. I felt we not only had a chance, but I had faith almost until the very last we could come back. Then came the field goal and that took us right out of it. No, I won't go into the officiating that set Clemson in position. I have my feelings, but I have no public comments.

"Clemson has a fine line, especially in opening up for their backs on offense. I felt our blocking this week showed great improvement. We hustled until the very end. I'm sorry we couldn't make it pay off in a win, but that's football, or so goes the saying.

"Ken Willard, our fullback, had his best day. Clemson was spreading their defense and this helped us to lay open a path. Ken, himself, deserves credit for his running. It is good and we expect much of him.

"That fumble on the second half kickoff cost us a touchdown. We were knocked out of the Maryland game for the same reason. These mistakes are costly. A couple of bad moves and the game changes its complexion completely.

"I think we played a good game, considering everything. I see our team doing better each week. Bob Lacey, our end, continued his fine offensive work, despite Clemson usually having two men on him. That one-handed pass he grabbed late in the game seems to be commonplace for him. He caught two in similar fashion against Wake Forest.

"Clemson uncovered a very effective fullback in Dumas. Frank's club, as ~~xxxxx~~ always, plays hard football. I wish the Tigers luck the rest of the way. As for us, we aren't discouraged. We have three games remaining and we have full intentions of winning them all."
