STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I didn't think we looked particularly good, but we won and that's what counts.

We had a pretty easy week working. I didn't scrimmage my first two teams at all, only the third and fourth. I don't guess the boys got too excited when everybody was telling them we were going to win by 40 points.

but I tell you one thing, we got two tough ones coming up. We didn't play today like we ~~were~~ gotta play these next two.

We played a lot of boys but I have some I hadn't seen too much of this year that needed to get some experience. One was a fourth string quarterback (Gary Rankin) and I just wanted to see what he could do.

We'll really have to work hard for the windup. Maryland and South Carolina have probably the two best teams in the conference and they both like to beat Clemson.

STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I didn't think we looked particularly good, but we won and that's what counts.

We had a pretty easy week working. I didn't scrimmage my first two teams at all, only the third and fourth. I don't guess the boys got too excited when everybody was telling them we were going to win by 40 points.

but I tell you one thing, we got two tough ones coming up. We didn't play today like we ~~was~~ gotta play these next two.

We played a lot of boys but I have some I hadn't seen too much of this year that needed to get some experience. One was a fourth string quarterback (Gary Rankin) and I just wanted to see what he could do.

We'll really have to work hard for the windup. Maryland and South Carolina have probably the two best teams in the conference and they both like to beat Clemson.
