COACH MARVIN BASS STATEMENT:

On our last offensive play we did not try a field goal because we came to win, not to tie. If we had it to do over we'd do the same thing. Clemson is a good football team and so are we. I think perhaps the two best teams in the ACC were out there today. Clemson played a fine game and it was a great one for the spectators. This was the one we wanted to win for the boys and the alumni. In the first part of the game we made too many mistakes, caused by tenseness. They settled down after that and played a fine game.

-0-

Before talking to newsmen, Coach Bass told his players:

That was a real fine game, fellows. You have nothing to be ashamed of. A couple of bad breaks and that was it. You gave it a real fine effort.

STATEMENT OF COACH FRANK HOWARD

We had a fine game and South Carolina had a fine game. I'm just thankful we were the ones who won. I thank the good Lord I had Rogers out there.

We went at Moss on that last drive, in fact, most of the game. Chuy was opposite him. Moss is a good tackle, but Chuy is a lot better than Moss.

Our option play ~~were~~ were having such good success ^{with} is the same one we were running against Maryland last week, but we put a little wrinkle in it this ~~year~~ week.

Anderson and Parker operate on the field differently. They practice the same plays all week, but they operate their offense a little different when they are in the game.

Howard termed the prettiest play of the game as the last one South Carolina ran when Reeves was thrown for a long loss and Clemson took over with less than a minute to go.

Howard thought Clemson's success in the last quarter was due ~~to~~ to South Carolina being tired. Someone told him that the Carolina team only played about three minutes the second half. "you can't play this day and time with one team, and don't many do very good with three."

Howard revealed that Clemson would scout both Oklahoma and Georgia Tech next week and also if both ~~were~~ plays in a bowl, they will be scouted again.

COACH MARVIN BASS STATEMENT:

On our last offensive play we did not try a field goal because we came to win, not to tie. If we had it to do over we'd do the same thing. Clemson is a good football team and so are we. I think perhaps the two best teams in the ACC were out there today. Clemson played a fine game and it was a great one for the spectators. This was the one we wanted to win for the boys and the alumni. In the first part of the game we made too many mistakes, caused by tenseness. They settled down after that and played a fine game.

-0-

Before talking to newsmen, Coach Bass told his players:

That was a real fine game, fellows. You have nothing to be ashamed of. A couple of bad breaks and that was it. You gave it a real fine effort.

STATEMENT OF COACH FRANK HOWARD

We had a fine game and South Carolina had a fine game. I'm just thankful we were the ones who won. I thank the good Lord I had Rogers out there.

We went at Moss on that last drive, in fact, most of the game. Chuy was opposite him. Moss is a good tackle, but Chuy is a lot better than Moss.

Our option play ~~were~~ were having such good success ^{with} is the same one we were running against Maryland last week, but we put a little wrinkle in it this ~~year~~ week.

Anderson and Parker operate on the field differently. They practice the same plays all week, but they operate their offense a little different when they are in the game.

Howard termed the prettiest play of the game as the last one South Carolina ran when Reeves was thrown for a long loss and Clemson took over with less than a minute to go.

Howard thought Clemson's success in the last quarter was due ~~to~~ to South Carolina being tired. Someone told him that the Carolina team only played about three minutes the second half. "you can't play this day and time with one team, and don't many do very good with three."

Howard revealed that Clemson would scout both Oklahoma and Georgia Tech next week and also if both ~~will~~ plays in a bowl, they will be scouted again.
